BRANSCOME
PAVING COMPANY

congratulations!

TO OUR 2013 WINNERS!!!

Did you submit this year?

I did...

and WON!

I didn't...

Next year I'm going to win!

***Well, we laid it in the hollows and
we laid it in the flat,***

***And if it doesn't last forever sure I
swear I'll eat me hat.***

***Well, I've wandered up and down
the world but sure I never felt,***

***any surface that was equal to the
hot asphalt!***

See you next year!
