

# Specifications Changes in the 2018 Schedule Contracts

October 2017

**Don Silies**

Director of Contracts

# Contract Structure Changes

- **No Volume II** (*no longer needed*)
- **2016 Road and Bridge Specifications**
- **2016 Road and Bridge Standards**
- **2017 Supplement to the 2016 Specifications**
  - All Supplemental Sections in effect as of December 31, 2016
- **The Schedule Proposals will contain:**
  - Additional Supplemental Sections
  - Special Provisions and Copied Notes

Note: Special Provisions and Supplemental Sections no longer reprint the *entire* Section. Only the change.

# Maintaining Traffic SP 512

- When using Temporary Short Term Stop Signs, Yield Signs and Exit Signs within the work zone, they must be mounted at least **7 feet** above pavement surface.
- Flagger Service will be paid for by hour. Priced by the contractor in bid.
- Hydro-blasting for marking removal is an allowable option.

# Maintaining Traffic SP 512

- **Radio communication (not cell phone) is required for Pilot Vehicles, and Flagger to Flagger unless can clearly see each other.**
- **When closing sidewalks and handicap access, use Type III barricades to close the entire width in the manner of a detour.**
- **In traffic emergency situations, the contractor may be directed to deploy unused PCMS boards and/or work with the engineer to use the existing deployed signs. Payment per Section 512.04.**

# Pavement Markings and Markers

- **Current language in the 2017 Paving Schedule is carried forward to 2018.**
- **Non-truck mounted marking equipment is allowed.**
- **Installation of Type B VI Tape on non-plant mix surfaces has been clarified.**

# Pavement Markings and Markers

- The type “F” marking designation has been retired. Now referred to as **Temporary Type “A” Markings**.

Item #	Description
54020	TYPE A PVMT LINE MRKG 4"
54022	TYPE A PVMT LINE MRKG 6"

54440	<b>TEMP.</b> PVMT MRKG, TY. A, 24"
54532	<b>NS TEMP.</b> PVMT MRKG

# Pavement Markings and Markers

- **Don't automatically replace existing markings "as-is". Installer must ensure compliance with current Pavement Marking Standards.**

(Especially for Ramp and Gore Area markings, Legends and Symbol markings)

- **All permanent markings (except B VI) will be eligible for a 25% bonus again this year.**

(Be sure to check your math)
