COMMENT SHEET

All comments submitted will become a part of the public hearing transcript and will be made available to the public.

Name (optional):

Address:

With this project, VDOT proposes to replace the existing substandard Route 688 (Leeds Manor Road) bridge over Thumb Run with a two-lane, prestressed concrete bridge. A nearby bridge over the tributary of Thumb Run will be replaced with a concrete box culvert. Construction will be done under a phased road closure, with one lane of traffic controlled by a signal.

Do you support this project?

YES NO

Yes, with modifications (please describe the modifications)

Please provide us with any additional information that you believe will assist VDOT in developing the final design of this project:

How did you hear about this meeting?

Newspaper ____ Direct Mail ____ VDOT Roadway Signs ____ Other _____

Were VDOT representatives able to answer your questions? **YES NO**

If not, were you offered additional assistance?

Please leave this comment sheet at the designated location or mail your comments within 10 days (November 29, 2013) to the addressee on the reverse side.
