Name (optional):

Address:

With this project, VDOT proposes to replace the existing substandard Route 637 (Jericho Road) bridge over Big Indian Run in Rappahannock County. The new two-lane bridge, constructed of pre-stressed concrete slabs with an asphalt overlay deck, will be built to current design standards.

Do you support this project?

**YES    NO**

**Yes, with modifications** (please describe the modifications)

Please provide us with any additional information that you believe will assist VDOT in developing the final design of this project:
