Name (optional):

Address:

With this project, VDOT proposes to replace the existing substandard Route 688 (Leeds Manor Road) bridge over Thumb Run and the nearby bridge over the tributary of Thumb Run in Fauquier County. The new two-lane bridge over Thumb Run, constructed of pre-stressed concrete slabs with an asphalt deck overlay, and the new concrete box culvert carrying the tributary of Thumb Run will be built to current design standards.

Do you support this project?

**YES NO**

**Yes, with modifications** (please describe the modifications)

Please provide us with any additional information that you believe will assist VDOT in developing the final design of this project:
