

## Washington Boulevard and Columbia Pike Interchange Improvement Project

**Wednesday, July 17, 2013**

**7:00 p.m.**

**Carver Community Center**

**1415 South Queen Street**

**Arlington, VA 22204**

VDOT and Shirley Contracting will present details on the upcoming closure of Columbia Pike between South Quinn Street and South Orme Street scheduled for the weekend of Aug. 3-4, weather permitting. The weekend closure will allow crews to place steel beams for the new northbound Washington Boulevard Bridge.

The project team will also provide update on construction progress and answer your questions.

The Arlington View Civic Association is hosting the meeting, which will be open to the public.
