

Vision & Goals from VTrans2035

VISION

Virginians envision a multimodal transportation system that is safe, strategic, and seamless.

Virginians envision a multimodal transportation system that is safe, strategic, and seamless. Travel for people and goods will be safe and uninterrupted. Transportation improvements will consider the environment and the quality of life in Virginia's communities while enhancing economic opportunity. Transportation improvements will respect and reflect the varied needs of Virginia's diverse communities and regions. Investments in transportation will be adequate to meet current and future needs. Transportation decisions will be guided by sustained, informed involvement of Virginia's community leaders and citizens. Full accountability and enduring trust will be the hallmarks of transportation planning and investment decisions throughout the Commonwealth.
