Additional Projects in Fredericksburg District

Caroline County

Route 639 (Ladysmith Road) Widening

Construction is underway to widen Route 639 (Ladysmith Road) to four travel lanes

between I-95 and just west of Route 1. A new raised median will separate eastbound and westbound travel lanes to allow for improved movement through the corridor. Additional left and right turn lanes will be built on Ladysmith Road at the Route 1 intersection. A shared use path, sidewalks, crosswalks, and pedestrian crossing equipment will be installed. The project is expected to be complete in May 2024.

Route 652 (Cool Water Drive) over Polecat Creek

Cool Water Drive was closed to through traffic in March 2022 at the bridge over Polecat Creek, and will remain closed for a bridge replacement project. Significant deterioration was discovered in key bridge elements during a bridge inspection and VDOT closed the bridge for motorist safety. Motorists should follow signs posted along the [recommended detour route](#). Preliminary engineering is underway on a project to replace the bridge, and work will be accelerated. The new bridge is estimated to open to traffic in September 2023.

King George County

Route 301 and the Nice-Middleton Bridge Replacement Project

A single northbound and southbound lane are closed on Route 301 between the weigh station and the Nice-Middleton Bridge for a Maryland Transportation Authority project to replace the bridge over the Potomac River and realign Route 301 at the bridge approach.

Richmond County

Route 637 (County Bridge Road)

County Bridge Road is closed to through traffic at the bridge over Cat Point Creek due to damage following heavy rain and flooding in summer 2021. The bridge replacement project is in preliminary engineering, with construction starting in fall 2022. The new bridge is anticipated to reopen in summer 2023.

Route 360 at Rich Neck Road/Mulberry Road

A single eastbound and westbound lane are closed on Route 360 near Route 619 (Rich Neck Road/Mulberry Road) during construction of an intersection improvement project. Both lanes will remain closed until work is complete in Nov. 2022. The project will extend turn lanes to enhance safety and improve operations at the intersection.

Spotsylvania County

Route 1 and Commonwealth Drive

Be alert for construction activity on Route 1 near the Commonwealth Drive intersection, where work is underway to build a nearly 700-space Park & Ride commuter lot. Be alert for work zone barriers along the shoulders of Route 1, and lanes that are shifted to the east near the Commonwealth Drive intersection. Project completion is anticipated in May 2023.

Route 17 Overpass Replacement and Widening

Construction started in December 2020 on a project to replace the existing two-lane interstate overpass on Route 17 with a four-lane bridge. Route 17 will be widened to four travel lanes to just east of the Hospital Boulevard/Germanna Point Drive intersection. Sidewalk, a shared-use path, and pedestrian crossing equipment will be added as part of the project. Improvements will be completed in Feb. 2024.

Parkview Drive

Parkview Drive is closed to through traffic in the Artillery Ridge subdivision for approximately three months, through early Aug. 2022. Parkview Drive will be closed near the Artillery Ridge Road intersection to allow VDOT crews to remove three deteriorated corrugated metal drainage pipes under the road. They will be replaced with concrete drainage pipes. Crews will be working on Mondays-Thursdays, 7 a.m. to 5:30 p.m.
