

Transportation Update

Lynchburg District
December 2015

List does not include locally administered projects

Appomattox County

Route 460 at Route 131

UPC: 105848

Estimated Cost: \$275,000

Estimated Construction Start:

February 2018

Project Manager: Anthony Rago

434-856-8308

This project is to replace the existing traffic signal at the intersection of Route 460 Business and Route 131. Development of this project was placed on hold pending the outcome of an HB2 project submittal for a nearby intersection.

Route 660 over North Creek

UPC: 95869

Estimated cost: \$405,000

Target Ad Date: January 10, 2017

Project Manager: Brian Staples

434-856-8271

The primary purpose of this project is to replace the superstructure of the bridge on Route 660 over North Creek in Appomattox County. Plans are currently under development.
