Route 340 - Cub Run Bridge

UPC 90187

Contract Value:

\$4,337,364

This project replaces the Route 340 bridge over Cub Run in Page County. The bridge, built in 1927, is at the end of its service life. This site on Route 340 is approximately a tenth mile south of Route 685. Route 340 is a two lane roadway in this area.

Estimated Completion Date:

Fall 2017

The new bridge will be built to the west of the existing bridge with relocated approaches that reduce curves on Route 340 at this location. This will be a two-lane bridge and will be approximately ten feet higher than the existing crossing.

Project Manager:

Robert Good, P.E., 540-743-1420

The average daily traffic volume on Route 340 is 5,280 vehicles per day. By the design year of 2038 the estimated average daily traffic volume is 7,600 vehicles per day.

A \$4,337,364 contract was awarded to Kanawha Stone Company Inc. of Nitro, West Virginia, on March 29, 2016.

Rural Rustic Roads

The Rural Rustic Road program provides paving to qualifying secondary roads. All work to be completed within the existing right of way. The road surface is generally widened to 16 to 18 feet, drainage is improved and the road receives a surface treatment pavement.
