Interstate 64 - Maury River Bridges (Delta Frames)

UPC 98287

Contract Value:

\$12.9 million

Estimated Completion Date:

Summer 2017

Project Manager:

Wayne F. Nolde, P.E., CCM, 540-332-9047

This project will restore and rehabilitate two bridges on Interstate 64. The project limits are 0.16-mile long and extend from 3.64-miles from Route 60 to 1.81-miles from Route 11. The bridges are over the Maury River and Kerrs Creek. During construction I-64 traffic eastbound and westbound will share one bridge. While one bridge is undergoing restoration and rehabilitation, I-64 traffic will be detoured onto the other bridge and will be one lane in each direction. Work on the eastbound bridge is substantively complete. Two way traffic is now maintained on it while the westbound bridge is being rehabilitated

A \$12.9 million contract was awarded on January 15, 2014 to Orders Construction Company, Inc. of St. Albans, West Virginia.

Route 708 (Gilmore's Mill Road) - Gilmore's Mill Bridge

UPC 89071

Contract Value:

\$743,632

Estimated Completion Date:

Fall 2016

Project Manager:

Wayne F. Nolde, P.E., CCM, 540-332-9047

The purpose of this project is to replace a deteriorated, restricted weight-limit bridge over Cedar Creek along Route 708 in Rockbridge County. The bridge is located just east of the intersection with Route 608. Route 708 consists of two 9-foot lanes with narrow shoulders and ditches.

A new truss bridge will be built. The proposed bridge will be built in approximately the same location. No roadway improvements will be done other than the immediate approaches to the bridge. The road is currently closed and will remain closed during construction of the new bridge. The existing bridge has an average traffic count of 87 vehicles per day, and a projected count of 88 vehicles per day for the design year of 2026. A \$743,632 contract was awarded to A. R. Coffey And Sons Inc. of Buchanan, Virginia, in March 2016.

Route 850 (West Midland Trail) - Bratton Run Bridge

UPC 97193

Estimated Cost:

\$1,684,000

Estimated Ad Date:

Fall 2016

Project Manager:

Michael Sensabaugh, 540-332-9103

The purpose of this project is to replace the Route 850 (West Midland Trail) structure over Brattons Run located in Rockbridge County. The bridge is located 0.04 mile west of the intersection of Route 780 to 0.09 miles east of the intersection of Route 780. The project length is approximately 0.13 miles.

The bridge that carries Route 850 over Brattons Run was constructed in 1932 with a reinforced concrete deck. Proposed improvements include a new 35-foot-wide segmental precast reinforced concrete box culvert and minor modifications to the roadway approaches to accommodate the wider bridge.

Route 850 (West Midland Trail) - Kerrs Creek Bridge

UPC 97194

Estimated Cost:

\$1,469,233

The purpose of this project is to replace the Route 850 (West Midland Trail) structure over Kerrs Creek in Rockbridge County. The project is 1.32 miles west of the intersection with Route 629 and 1.52 miles east of intersection of Route 633. The project length is approximately 0.01 miles.

Estimated Ad Date:

Fall 2016

The bridge that carries Route 850 over Kerrs Creek was constructed in 1927 with a reinforced concrete deck. Proposed improvements include a new 35-foot-wide segmental precast reinforced concrete box culvert and minor modifications to the roadway approaches to accommodate the wider bridge.

Rural Rustic Roads

The Rural Rustic Road program provides paving to qualifying secondary roads. All work to be completed within the existing right of way. The road surface is generally widened to 16 to 18 feet, drainage is improved and the road receives a surface treatment pavement.

Road Name: Route 644 (Flat Woods Road) UPC: 104318

This project is approximately 1.1 miles long extending from the intersection of Route 251 to the intersection of Route 672.

Estimate Cost: \$285,156

Estimate Ad Date: Summer 2016

Project Manager: Susan Hammond, 540-462-6990

Road Name: Route 717 (McClung Road) UPC: 105604

This project is approximately 1.2-mile long extending from 0.1-mile west of Route 11 to 0.1-mile south of Route 716.

Estimated Cost: \$334,924

Estimated Construction Date: Summer 2016

Project Manager: Susan Hammond, 540-462-6990

Road Name: Route 808 (Country Cove Lane) UPC: 104319

This project is approximately 0.1 miles long extending from the intersection of Route 717 to 0.1 miles north of the intersection of Route 717.

Estimate Cost: \$46,362

Estimate Ad Date: Summer 2016

Project Manager: Susan Hammond, 540-462-6990
