Request for Proposal (RFP) No. SB20160609 is hereby updated as follows:

Page 3, SCOPE is revised to read as follows:

The anticipated annual workload *for the district* consist of approximately 200 safety inspections of highway structures and bridges, 50 structural load ratings and 600 safety inspections of traffic devices. *This workload will be divided between all contracts issued for this solicitation. The Department anticipates two awards from this RFP.* In addition, emergency inspections may be assigned on an as-needed basis. The consultant shall have sufficient staff to adequately meet the anticipated workload. It is anticipated that this contract will involve numerous projects; however VDOT cannot guarantee the timing, complexity, or number of projects assigned. The Department reserves the right to modify or eliminate in whole or in part, any of the requested services.

Page 2, GENERAL is updated to add:

Firms submitting an Expression of Interest as a Prime consultant shall not serve as a subconsultant on any other team submitting a proposal in response to this Request for Proposals.

This update may affect an offerors preparation of their Expression of Interest, therefore the Expression of Interest due date is changed to July 1st, 2016 @ 3:00pm.

All other information will remain the same. A new RFP will not be published. Thank you for your interest in VDOT’s Professional Service Consultant Procurement Program.
