

Accessing the Project Portal (CONNECT Center)

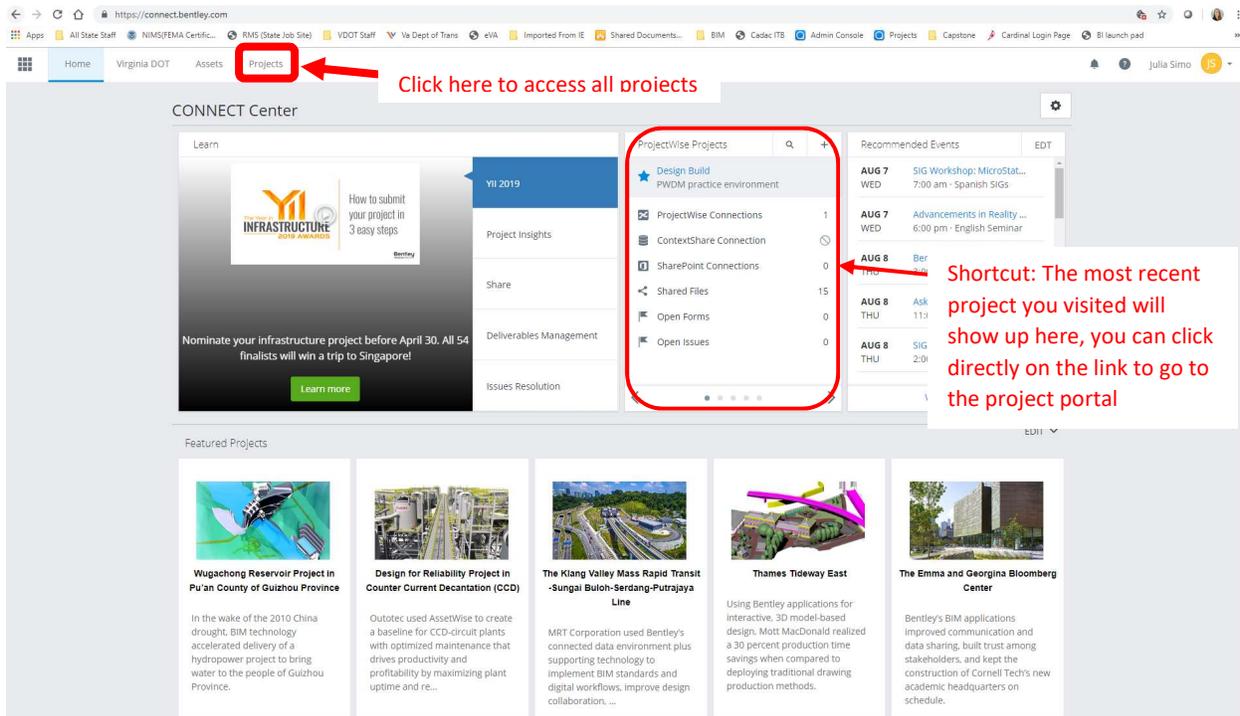

Step 1. To access the Project Portal, log in to the Connection Client using your Bentley IMS account or go to <http://connect.bentley.com> and log in:

Notes:

- VDOT – Your IMS account is the same as your VDOT COV Domain account. (VDOT accounts are federated which enables Single Sign On. Just click on the password field, you will not be required to key in your password again.
- Consultants/Contractors – Once you create a Bentley IMS account using your company email. Use your company email address to log in.

Step 2. Once logged in, navigate to the Projects tab:

Accessing the Project Portal (CONNECT Center)

Step 3. In your projects tab you can search projects, favorite projects, and view all of your projects:

Click here to access projects marked as Favorite

Click here to search your project

Click here to access all of your projects

Click on the star to mark a project as Favorite

Click on the Project Number to access the project portal
