

MATERIALS DIVISION

 Virginia Department of Transportation
MEMORANDUM

| | | |
|---------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------|-------------------------------|
| GENERAL SUBJECT: Chapter VI - Pavement Evaluation and Design | | NUMBER: MD 345-11 |
| SPECIFIC SUBJECT: Pavement Type Selection Procedures and Life Cycle Cost Analysis | | DATE: July 22, 2011 |
| DIRECTED TO: District Materials Engineers | SIGNATURE: Charles A. Babish, PE <i>Signature on original copy of memorandum</i> | |

This Memorandum serves to notify users of the Materials Division Manual of Instructions that Chapter VI Pavement Evaluation and Design has been updated and renamed. The updated document completely replaces the sections 606 and 607 of the September 2009 version of Chapter VI. Additionally these two sections also exist as separate stand alone document titled as 'Pavement Type Selection Procedures' and 'Life Cycle Cost Analysis', respectively. The updated version of Chapter VI with the revised name of Pavement Design and Evaluation and the stand alone documents on Pavement Type Selection Procedures and Life Cycle Cost Analysis can be downloaded from VDOT Materials Division website:

<http://www.virginiadot.org/business/materials-download-docs.asp>

The updated version of Chapter VI reflects the following changes:

- Renaming Chapter VI from 'Pavement Evaluation and Design' to 'Pavement Design and Evaluation'
- Significant revision of Section 606 (Pavement Type Selection Procedures)
- Significant revision of Section 607 (Life Cycle Cost Analysis)
