COMMISSIONER

VDOT Erosion & Sediment Control Contractor Certification

In accordance with the Virginia Department of Transportation (VDOT) Road and Bridge Specification § 107.14 (a), Special Provision 107D, all contractors performing regulated land disturbing activities within VDOT right-of-way must have an employee that has successfully completed the VDOT Erosion & Sediment Control Contractor Certification training. Regulated land disturbing activities are defined as those activities that disturb 2,500 square feet or greater in Tidewater, Virginia (as defined in § 10.1-2101 of the Code of Virginia) or 10,000 square feet or greater in all other areas of the State. The Department will require evidence of this certification with any Land Use Permit application that involves utility and/or commercial right of way improvement.

NON-COMPLIANCE MAY RESULT IN PERMIT SUSPENSION &/OR A STOP WORK ORDER

Applicant/Project Name: _____

Contractor: _____

Route Number: _____ County: _____ Residency: _____

As the Contractor for this project, I/We hereby acknowledge that an employee of this company has successfully completed the VDOT Erosion & Sediment Control Contractor Certification training and will be responsible for insuring compliance with all applicable local, state and federal erosion and sediment control regulations during all land disturbance activities.

_____ *Work on this project involves less than 2,500 square feet of land disturbance activities and therefore is exempt from this requirement.*
