

VDOT WORK ZONE SAFETY TRAINING VIDEO

ORDER FORM

The Virginia Department of Transportation has developed a work zone training DVD titled “**What’s Wrong With This Work Zone**”. The video depicts two improperly installed work zones (a lane closure operation and a flagging operation) as a motorist would see them, and challenges the viewers to see how many “violations” they can find. The violations are then discussed, and the same operations viewed again with the work zones properly installed. The length of the video is approximately 21 ½ minutes. The cost of the DVD is \$6.00, which includes tax. Payment is required when placing an order. Payment may be made by check made payable to the “*Treasurer of Virginia*” and mailed to the following address:

**Virginia Department of Transportation (VDOT)
Traffic Engineering Division
Attention: Work Zone Safety Coordinator
1401 E. Broad Street
Richmond, VA 23219-1939**

For delivery of the training video, please type or print the following information:
