Written Notice of Emergency Force Account

Six structure failures were verified on approximately May 27, 2014 on Routes 1063 and 29 in Albemarle County, and Route 600 in Fluvanna County at the locations listed below. All locations have deteriorated to the point of causing unacceptable conditions. If these pipes are not repaired promptly they could fail and require closure of these Routes as well as jeopardizing public safety. This work will be awarded on an emergency force account basis.
