

WRITTEN NOTICE OF EMERGENCY CONTRACT

As a result of recent heavy rains emergency repairs are required for a drainage/pipe separation/washout on Rte 1220 (Fieldstone Parkway) in James City County. An 18" Storm Water RCP has separated near the edge of pavement and has caused a washout that undermines the roadway. There is a Force Water Main that runs perpendicular to, and above the separation that complicates the repair. The washout has undermined and compromised the integrity of the force main. This contract is being awarded on an emergency basis.

Order No.: E74
Route: 1220
Project No.: SC 1220 Fieldstone Parkway Emergency Drainage Structure Repair
Location: Route 1220 between Rte 1279 and Ashwood Court
County: James City County
Contractor: Henry S. Branscome, LLC
Amount: \$35,000.00

Date Awarded June 21, 2016
