From: Jennifer B. DeBruhl
Director, Local Assistance Division

SUBJECT: 2013 Legislative Update

Each year, my office has typically provided a brief summary of transportation related legislation enacted into law during the General Assembly session that year that will be going into effect on July 1st, or such other date as specified by the General Assembly. The Department has developed a comprehensive summary of this year's transportation related legislation and we are providing a link to that summary for your information.
