Local Programs Boot Camp—September 24th

A half-day pre-workshop Boot Camp providing the Who, What, When, Where, and How of Local Programs and Locally Administered Projects will be conducted on September 24th. This camp is for local government staff who are new to working with local programs and are attending the two-day Local Programs Workshop. The Local Programs Boot Camp will teach the basics to help make the most of your time at the Local Programs Workshop.

Local Programs Workshop—September 25th—26th

This two-day Workshop will bring together local government, VDOT, and private sector staff to focus on providing an overview of local programs and provide training for program management and project development.

There will be four Tracks at the Workshop comprised of four sessions each over two days: LAP 101 - Basic Local Administered Project Development, LAP 201 - Advanced Local Administered Project Issues, Special Funding Programs, and Hot Topics.

Refer to our [workshop webpage](#) for [detailed agenda](#), announcements, and more!

For registration and information on the half-day pre-workshop “Boot Camp” and two-day Workshop visit the UVA Center for Transportation Studies —[Transportation Training Academy’s website](#).
