Subject: RFQ Questions and Answers

1. RFQ section 5.2.2 states “All printing, except for the front cover of the Statement of Qualifications, should be Times New Roman, with a font of 12-point (Times New Roman 10 point font may be used for filling out information on the Key Personnel Resume Form and the Work History Forms).”

Is text that is part of a graphic required to meet the 12-point font requirement? The graphics we are referencing are the organizational chart, any maps that may be included, phase diagrams, or other graphics. There may be graphics where either slightly larger or slightly smaller font would make the representation easier to read.

Text that is part of a graphic can be modified within reason. All text that is part of a graphic should be readable and should be no smaller than Times New Roman 10 point. Larger text can be used as well.
