All About Your Benefits

January 2017
A Note From The Commissioner

As Commissioner, I want to reaffirm our agency’s ongoing commitment to sharing information with you about your employee benefits. While your base pay is important, the benefits programs that are provided and offered can significantly enhance the value of your total rewards package with the Commonwealth of Virginia.

Our benefits package includes a wide range of programs including paid leave, health benefits, life insurance, sickness and disability benefits, wellness and work-life programs, and participation in retirement and deferred compensation programs.

To obtain a personalized statement of your total rewards received through cash compensation, funded benefits, and leave, please visit the Employee Direct website sponsored by the Department of Human Resources Management (DHRM) to take advantage of this valuable resource: https://edirect.virginia.gov/EDL.

If you do not have an Employee Direct user name or password yet, you will need to register to access this tool. Easy to follow directions are available on the site. After logging in, please click on the link to My Employment Profile, and then click on the box for Total Compensation to view your personalized Total Compensation Statement.

Please also remember that the Department of Accounts website, Payline, is your source for earnings and leave information: https://payline.doa.virginia.gov. Both Employee Direct and Payline can be accessed from any internet connection, so you can access these sites on a computer from home or a local library at any time of day or night.

Because programs change over time, it is important that you take time to periodically review the highlights of our benefits programs. In addition to reviewing the information in this booklet, I encourage each of you to visit the VDOT Benefits website at http://www.virginiadot.org/jobs/benefits_of_working_at_vdot.asp. If you have detailed questions or need assistance, please contact your local human resources representative.

Our employees are our greatest resource and the key to VDOT’s success. Keep up the great work you do every day as you play a vital role in keeping Virginia moving.

Charlie Kilpatrick, P.E.
Commissioner
How Major Personal Events Impact Your Benefits

Birth of a child, marriage, the loss of a loved one, dependent child over age 26, and divorce are life changing events that may require you to make changes to your benefits programs. Here are some questions to consider:

• Should I make changes to my beneficiaries on my life insurance policies?
• I have 60-days from the event date to make a change to my health insurance plan. Do I need to drop or add a dependent due to the event?
• I am moving due to the event, therefore do I need to change my address?
• I no longer need to pay for vision/hearing coverage now that my dependent is off of my health insurance. Can I change it?

For divorce and death of a dependent, you must contact your local HR office and make the change. In order to add a new dependent due to a personal event, you also must contact your local HR office within 60-days and provide the required documentation to add the new dependent. When in doubt, simply call your local HR Benefits Specialist.

When adding a dependent to your health insurance and the dependent does not have a Social Security Number, the Benefits Eligibility System (BES) will assign the dependent a temporary Social Security Number. Once the dependent has a valid Social Security Number, you need to provide the valid Social Security Number to your local HR Benefits Specialist so that it can be updated on your BES record. Failure to provide a valid Social Security Number for any dependent may impact their health care benefit.

Premium Rewards

State employees, retirees and covered spouses with health benefits coverage through COVA Care or COVA Health Aware plans are eligible to reduce the cost of their monthly insurance premiums by up to $34 per month by completing a healthcare assessment questionnaire and biometric screening with measurements. The goal of the premium rewards program, administered by Well Advantage and ActiveHealth, is to encourage healthy lifestyle habits and to help decrease disease processes and risk of death. The results of your health assessment and biometric screening are not shared with VDOT. Well Advantage and ActiveHealth will manage all protected health information and are required to comply with the Health Insurance Portability and Accountability (HIPAA) regulations.

Employees with individual COVA Care and COVA Health Aware coverage are eligible to reduce monthly premium costs by $17. Employees with a covered spouse are eligible to reduce monthly premium costs by $34. You will begin receiving premium rewards on the 1st of the month following the completion, submittal, and acceptance of the health assessment and biometric screening.

To qualify, you must first set up an account on-line or by phone with ActiveHealth using your state employee identification number. The health care assessment can be completed on-line at www.myactivehealth.com/COVA or by phone by contacting ActiveHealth at 1-866-938-0349.

You must also complete a biometric screening performed by a physician. Five of the following elements must be measured in the screening: blood pressure, waist measurement, height, weight, glucose, total cholesterol, HDL, LDL, and tri-glycerides.

Explanation of Benefits Statements

If you receive an Explanation of Benefits statement from your health benefits plan and do not understand it, here are some recommendations:

• For deductible and co-payments, visit your Health Benefits Member Handbook available at http://www.dhhr.virginia.gov/healthcoverage/planhandbooks
• Match up the service to the deductible limit and co-payment amount.
• If the statement still does not add up, there is a phone number for each insurance company on the back of your health insurance card. Call the insurance company directly for assistance regarding your claim.

Employee Assistance Program (EAP)

Employee Assistance Program (EAP) provides confidential information, support, and referral service, tools and resources designed to help maximize productivity and meet the challenges of life. As an employer-sponsored program, EAP services provide up to four free visits and are available to employees and their household members who are enrolled in the Health Benefits Program. Areas frequently addressed by the EAP include: Child Care and Parenting, Helping Aging Parent, Financial Issues, Legal Concerns, Work and Career, Emotional Well-Being, Addiction and Recovery, Wellness and Prevention, Concierge and Convenience Services and Life Events. Specially trained representatives are available 24 hours a day, 365 days a year, via their toll-free number on your membership card.

Making Dependent Coverage Affordable for Lower-Income State Employees

FAMIS (Family Access to Medical Insurance Security) is the Commonwealth of Virginia’s health insurance program that makes health care affordable to cover children of eligible qualifying families. FAMIS covers the preventive medical care that growing children need to avoid getting sick, plus the medical care that will help them if they become ill or are hurt.

If your children ARE currently enrolled in the state employee health plan, you should call Cover Virginia to assess their eligibility for coverage before considering dropping them from your state employee health plan. Be sure to contact Cover Virginia for a thorough assessment of your child’s eligibility for FAMIS before taking action. If you remove your child from your state health coverage and they do not qualify for FAMIS, you must wait until the next annual Open Enrollment or if you experience a valid qualifying mid-year event which would allow you to re-enroll your child in a state employee health plan. Your child may be eligible if they live in Virginia, under the age of 19, a United States citizen or qualified alien, not eligible for FAMIS Plus and lives with a family meeting the FAMIS income guidelines.

You can enroll either by contacting Cover Virginia at 1-855-242-8282 by phone Mon - Fri: 8:00 am to 7:00 pm and Sat: 9:00 am to 12:00 pm or at www.commonhelp.virginia.gov; print out and complete the paper application or visit your local Department of Social Services in the city or county you in which you live.
When is the New Leave Year?
The new leave year begins on January 10th every year. This is when a new allotment of Virginia Sickness and Disability Personal and Sick are allocated to employees in this program, and School and Community Service leave is available. The focus of this communication is to share various leave programs available to us and all state employees. The list in the following pages provides all leave types and a brief summary of acceptable use. The full leave policy can be found on the policy page of the Department of Human Resource Management (DHRM) website. A quick link to that website is available on the VDOT Benefits web page. You can also Google "VDOT Benefits" to find this information. Here are some things to keep in mind when using leave:

- All leave must be approved by your supervisor in advance whenever feasible.
- Your leave balances can be found on your pay stub through Payline, or in your Cardinal account. The leave balances shown are as of the end of the previous pay period.
- If you have questions about proper use of any leave type listed, you may refer to the full policy on the DHRM website and/or call your local HR office.

General Leave Provisions
 Leave Year = January 10 – January 9
 State Fiscal Year = July 1 – June 30
 Federal Fiscal Year = October 1 – September 30
 - Employees are to request and receive approval from their supervisor prior to taking leave.
 - Employees requesting certain types of leave may be required to provide documentation.
 - Employees are responsible for knowing the amount of accrued leave to which they are entitled, and have earned.
 - Employees must notify Human Resources when taking leave with or without pay for 14 consecutive calendar days or more.
 - Supervisors are encouraged to approve leave requests made by employees as long as agency operations are not adversely affected.
 - Employees may be asked to reschedule leave if agency operations conflict with request.
 - Agencies may not approve paid leave for employees who have not accrued sufficient leave during the pay period.
 - Classified employees who work between 20 and 39 hours per week (50% – 99%) will receive prorated leave benefits proportionate to the number of hours worked. Note: Under VSDP, Sick Leave for current classified employees who work at least 32 hours per week is not pro-rated. Family and Personal Leave is not pro-rated for current classified employees who work less than 40 hours per week.
 - This Quick Reference Guide is to be used as a tool for administering leave programs, and does not replace or supersede official policy guidance provided by the Department of Human Resources Management (DHRM). Contact your local HR Benefits Specialist for more detailed information on any leave program.

**Short Term Disability – VSDP**

| STD | Benefits for employees enrolled in VSDP who become disabled and cannot work. Medical absences due to pregnancy are also covered. STD commences upon the expiration of a 7 day waiting period, provides replacement income for a maximum of 125 work days at either 100%, 80%, or 60% for defined periods of time based on total months of service. Employees hired or rehired on or after 7/1/2009, must complete 1 year of continuous state service to be eligible for short term disability benefits under VSDP as indicated in the second chart below unless the claim is ruled compensable under Workers’ Compensation. |

Visit VDOT’s Benefits Website
Just search for “VDOT Benefits” from any computer to land on the “Benefits of Working at VDOT” web page. This area provides a one-stop-shop for employees, their spouses and even prospective employees to find out more about the state benefits information available. This page is accessible to anyone with Internet access, 24-7.
Helpful Information
For more information about Retirement and Life Insurance, visit www.varetire.org.

There is also a listing of Human Resources benefits specialist contacts on the previous page that provides phone numbers and email addresses of Human Resource staff that are available to assist employees and dependents during normal business hours.

Contact your HR Benefits Specialist to schedule a one-on-one meeting.

**Member Benefit Profiles (MBPs)**

The Member Benefit Profiles (MBPs) for employees in VRS Plan 1 and Plan 2 can be accessed through your myVRS account. The information included on your MBP is reported to VRS as of June 30 each year and includes:

- Account balance information
- Retirement eligibility
- Group life insurance
- Health insurance credit
- Deferred compensation

Employees in the Hybrid Retirement Plan can view their account balance and benefit information in myVRS.

**How Do I Access My MBPs?**

- Log into VRS using the following link http://www.varetire.org/.
- Click on the myVRS Access tab.
- Select the “Members Log In or Register” option.
  - If you have established a VRS Employee Account, log in using your username and password.
  - If you haven’t established a VRS Employee Account, select “Register”.
- Once logged in, click on the “Account Home” tab at the top of your home page screen.
- Over to the left will be a group of tabs.
  - Select the “Member Benefit Profile (MBP)” tab.
  - You will have access to your current MBP as well as previous MBPs.
- Click on the MBP that you want to preview and it will open up automatically.
- You can print your MBP for your records.

If you have any questions, please contact your local HR office.

**Total Compensation Statement**

**EmployeeDirect**

The total compensation statement can include retirement eligibility, group life insurance, health insurance credit, and deferred compensation.

**DHRM**

DHRM provides total compensation information to classified employees through the “My Employment Profile” application in the DHRM Employee Direct portal. You can review your total compensation statement through your DHRM Employee Direct portal at https://edirect.virginia.gov/. Your Employment Profile does not currently include information on deferred compensation programs. DHRM will be working with the Department of Accounts to add this feature as resources permit. If you have any questions, contact your local HR Benefits Specialist.

**Deferred Compensation**

Whether you have the VRS defined benefit plan or one of the Optional Retirement Plans as your primary retirement benefit, or if you are a salaried or wage employee, you are eligible to enroll in the Commonwealth of Virginia 457 Deferred Compensation Plan administered by ICMA-RC. In addition, if you are a salaried employee, you may qualify for the Cash Match Plan (401a). You will receive a cash match from VDOT to your Virginia Cash Match Plan account.

The minimum amount you can contribute is $10 per pay period. The maximum you can contribute is up to 100 percent of includible compensation or the maximum amount allowed under IRS regulations for the given year.
There are two types of contributions you may make to your Commonwealth of Virginia 457 plan. They are pre-tax contributions which means that you will pay taxes later and lower your taxable income now and Roth (after-tax) contributions which means that you will pay taxes on the contributions now and make tax-free withdrawals later, as long as certain criteria are met.

You can learn more about the Deferred Compensation program administered by ICMA-RC at http://www.varetirement.org/vrsaccountlogin.html or contacting them at 1-VRS-DC-PLAN1 (1-877-327-5261)

If you have any questions, contact your local HR Benefits Specialist.

### Workers’ Compensation

Workers’ Compensation is mandatory insurance for the protection of injured employees. Workers’ Compensation is an exclusive remedy for injured employees. It is a ‘No Fault’ insurance. Workers’ Compensation is provided for injuries caused by an accident, which has risen out of the employment or occurrence in the course of employment. Most injuries happen through human or mechanical error and are unintentional. The Workers’ Compensation laws were designed to offer protection for both the employee and employer. Workers’ Compensation benefits are administered by MC Innovations, LLC. MC Innovations provides a team of specialist who handle work related injuries for the Commonwealth of Virginia.

**The Do’s of Workers’ Compensation**

- Do notify your supervisor of an injury as soon as it happens.
- Do choose an authorized panel physician.
- Do get medical treatment if required.
- Do contact The Reed Group at 1-800-652-5602 if you are a participant of VSDP.
- Do fill out the Employee’s Notice of Injury form.
- Do fill out the Panel Physician Selection Form.
- Do fill out the Injury/Illness Event Data Collection Worksheet.
- Do get a note from the physician each time you visit the physician and give a copy of your doctor’s note to your supervisor and your authorized Workers’ Compensation contact claims analyst.
- Do notify Safety, Security and Emergency Management Division and MC Innovations, LLC. immediately, by telephone, of a serious injury or fatality. If you are in VDSP, have a family member call The Reed Group if you are unable to do so.
- Do cooperate with VDOT and MC Innovations, LLC.
- If you are not sure what to do, contact your local HR Benefits Specialist.

**The Don’ts of Workers’ Compensation**

- Don’t leave work before reporting the injury.
- Don’t go to your Primary Care Physician (unauthorized doctor).
- Don’t go to the medical provider referred by the Emergency Room physician (unauthorized doctor).
- Don’t stay out of work without a doctor’s note.
- As a supervisor, don’t tell your employee to go home until they are well.

### Transitional Work Assignment Policy and Procedure

The purpose of Virginia Department of Transportation’s (VDOT) Transitional Work Assignment and Procedure is to help enable recovery and the resumption of full duty by injured or ill employees whose injury or illness initially restricts their ability to perform their normal job duties. This policy and procedure also communicates roles, responsibilities and details about the procedures associated with Transitional Work Assignments (TWAs) and VDOT’s Return to Work (RTW) program.

When an employee is able to return to work, a Transitional Work Agreement is developed based on the restrictions which the employee’s treating physician has communicated to their supervisor. The duration of this assignment is limited to 90 days or less but could be extended on a case-by-case basis. The assignment can include tasks from the employee’s current job description or other work assignments based on the work unit’s business need, the employee’s ability to perform, and the health care provider’s certification (doctor’s note) approving these transitional duties. TWAs may be full, part-time or intermittent, based on the work unit’s business needs. The plan is designed to help you increase your ability to work (functional capacity) in a staged manner to support the incremental healing process your body will be undergoing.

### Safety Rules

These safety rules shall be posted and kept posted in all buildings, shops and storage sheds owned or leased by the Virginia Department of Transportation (VDOT). All workers will abide by these safety rules. Safety is a critical component in all operations carried out at the Virginia Department of Transportation (VDOT). The safety rules are not intended to be all-inclusive, but rather to highlight some key safety rules and provide links to some additional safety documents. Contact your immediate supervisor if you have any questions or concerns regarding your personal safety.

A copy of the safety rules are provided and reviewed upon your initial employment. Annually, or as necessary thereafter, your supervisor will provide and review the safety rules with you.

1. Report all personal injuries and vehicle or equipment accidents to your supervisor immediately. If you observe an unsafe condition or act, report it immediately to your supervisor or Safety Manager.
2. All workers shall wear appropriate VDOT-approved Personal Protective Equipment (PPE) and high-visibility safety apparel for the appropriate work activities being performed.
3. All workers shall use appropriate fall protection as required in accordance with applicable occupational Safety and Health standards.
4. A minimum five minute safety meeting (related to daily work assignments) will be held each morning before a work party of two or more begins work.
5. Seat belts shall be worn by all vehicle/equipment operators and passengers.
6. The use of cell phones is prohibited when operating any vehicle / equipment owned or paid for by the state. The use of cell phones may be used for making and receiving calls only if the vehicle is equipped with a hands-free system.
7. Where there is limited sight distance, obstructions, or limited maneuverability when backing or during periods of limited visibility, a ground guide or spotter must be used, when available.
8. All workers are prohibited from entering a permit required confined space without proper training, permits, atmospheric testing and authorization.
9. Workers shall use appropriately rated chains, slings, rope and/or straps.
10. Before any worker performs any servicing, maintenance, repairs on any facility, machinery or equipment where the unexpected energizing startup or release of any type of energy could occur and cause injury, the machinery or equipment will be rendered safe to work on by either being locked or tagged out.
11. Gasoline is prohibited to be used to start a fire or as a cleaning agent.
12. Disruptive or unsafe behavior, such as horseplay during work operations, catching a ride on a piece of equipment or sideboards, or any demonstration of violence towards other workers or VDOT property, is prohibited.

Additional guidance regarding the VDOT Safety Rules and detailed Safety Policies can be found in the agency’s Corporate Document Center located on InsideVDOT or through the Corporate Document link on Safety, Security and Emergency Management page.

Chief Engineer’s Safety Excellence Award
The Chief Engineer’s Safety Excellence Award program encourages every single employee to do something about opportunities they see to reduce injuries and illness. The goal of the program is to improve the safety, health, and productivity of our facilities and working conditions, while continuing to foster a “Culture of Safety” within all aspects of our day-to-day work.

Employee participation is vital for this program to work! There will be three areas of employee emphasis that need your help to succeed:

- **Ideas**: Share your observations, knowledge and recommendations through submission of safety improvement ‘good ideas’.
- **Videos**: Collaborate with your co-workers to create and submit ‘smartphone-style’ safety communications videos. Get engaged in safety!
- **Training**: Improve your safety knowledge through completion of approved training courses.

The safety ‘good ideas’ submission website is available from the following InsideVDOT website. If you do not have access to InsideVDOT, please write down your safety idea and work with your supervisor, manager or Superintendent to get your idea into the system: https://insidevdot.cov.virginia.gov/div/SPMD/STRN/PBJIV/SitePages/Home.aspx.

Get involved with safety!

### State Fraud, Waste, and Abuse Hotline
**Toll-Free Number:** 1-800-723-1615
Monday – Friday
8:00 AM – 5:00 PM

State employees are obligated to report instances of fraud, waste and abuse in state government. You can report it to your manager or call the Hotline if you are uncomfortable in making the report to your manager.

Your confidential call is:
- Anonymous
- Non-Traceable
- Toll-Free

For more information, please go to www.osig.virginia.gov or you may contact the Office of the Attorney General:
**E-mail:** covhotline@osig.virginia.gov
**Fax:** 804-371-0165
**Mail:** State FWA Hotline
P. O. Box 1151
Richmond, VA 23218

Retaliation for calling the hotline or participating in an investigation is prohibited and subject to discipline.

### Operating State Vehicles
Be Responsible! You are VDOT’s most valuable asset! To keep you, the driver, and those with whom you share the road safe, VDOT subscribes to policies and procedures governing the safe operation of all of its equipment. Operators are responsible for knowing and understanding all policies, procedures and laws.

#### Responsibility for safe operation is on the driver:
Drivers are responsible for reviewing and conforming to all policies and procedures pertaining to the use, maintenance and operation of a State vehicle.

**Driver’s License:** Anyone driving a state-owned vehicle must have a valid driver’s license.

**General Operation:** Control the vehicle in a manner so as to avoid accidents.
- Practice defensive driving by anticipating and observing the actions of other drivers.
- Averting your eyes from the road may cause an accident. Use your best judgment when using climate control settings, radio, or other settings and controls.
- All drivers should perform a walk around visual inspection of the vehicle prior to moving.
- Drivers shall use state-owned vehicles for official state business only. Vehicles are to be operated in a manner which avoids even the appearance of impropriety.
- All violations and fines are the responsibility of the assigned driver.
Cellular Phones and Handheld Devices: Cellular and Smart phones, blackberries, GPS, or other devices
• Must be operated hands-free or while the vehicle is in park.
• Text messaging and emailing are prohibited while the vehicle is in drive and/or in motion.
• Two-way radio, essential equipment use for emergency vehicles is governed by agency policy.

Eating: Eating food is prohibited while driving a State-owned vehicle.

Compliance with Motor Vehicle Laws: Each driver must observe all motor vehicle laws. Drivers must not knowingly operate vehicles that do not comply with legal requirements.

Alcoholic Beverages and Drugs: Under no circumstances may a state employee operate a vehicle while under the influence of intoxicating beverages, drugs or other substances. No state vehicle may be used to transport alcoholic beverages except in the performance of official duties.

Tobacco Products: Smoking and use of other tobacco products is prohibited in state vehicles.

Driving Under Adverse Weather Conditions: Take extreme care to ensure driver and passenger safety.

Seatbelts: Seatbelts must be used in accordance with State law.

Responsibility: Drivers of State vehicles are subject to consequences and are legally liable if in violation of any policy or for infractions against motor vehicle laws of the Commonwealth of Virginia.

In Case of a Crash: While the vehicle is at the scene, the operator or a representative of the agency using the vehicle shall immediately report the crash to the Department of State Police, or to the police department of any state college, university or community college. If the crash occurs on state parking facilities, or adjacent highways under the jurisdiction of the Virginia Capitol Police, the crash shall be reported to that agency.

Commuter Incentive Program
VDOT offers Commuter Incentive Programs to help our employees make smart decisions about their commute. This program provides a tax free monthly subsidy that can help pay for vanpooling, mass transit, and commuter train. Contact your HR Benefits Specialist for more information.
Visit http://www.virginiadot.org/travel/parkride/terms.asp to view transportation options and regional Ride sharing agencies.

VDOT’s Virtual Campus
All VDOT employees are provided access to the VDOT University Virtual Campus. This online learning management system is the central repository for all agency training and development. Available 24/7/365, the Virtual Campus puts an extensive catalog of classroom and online courses at your fingertips.

In particular, if you are in need of “just in time” training, the Virtual Campus provides immediate access to hundreds of course offerings from SkillSoft. These courses span topics in the following areas:
• Business
• Information Technology
• Interpersonal Skills
• Legal Compliance
• Employee Safety & Health
• Desktop Software

With so many offerings available, and with course lengths varying from under an hour to a few hours, there are sure to be opportunities for most any employee. To access the Virtual Campus, login from the following link: https://VirtualCampus.VDOT.Virginia.gov. From there, you can search and explore the many great opportunities available.

To access the Virtual Campus externally, go to www.virginiadot.org. Under Popular Links, select, “Consider a Career at VDOT.” Under Your Career at VDOT, select “Virtual Campus.” Under VDOT University’s Virtual Campus, select the link under “If you work at VDOT, visit the Virtual Campus for employees.” For questions or Virtual Campus support, contact VDOTUniversity@VDOT.virginia.gov.

Books 24x7
In addition to the Virtual Campus and its resources, VDOT also provides employees access to nearly 75,000 online books through Books 24x7 database. Topics include Business, Engineering, Leadership, Finance, Government, IT, Software and Wellness.

After a one-time registration using a VDOT e-mail address, Books 24x7 provides quick and simple access to this extensive collection of resources from http://library.books24x7.com. At this time, a VDOT email address is a requirement for establishing an account to enable access to Books 24x7. For questions or assistance with Books 24x7, contact our VC Support Services at VDOTUniversity@VDOT.virginia.gov.
For information on 10 other full-text online databases and more than 50,000 print resources, or for OFF-Network library access, contact the VDOT Research Library at Library@VDOT.Virginia.gov.

Learning Partnership Program
Have you thought about getting that degree that could advance your career at VDOT? If so, you should know VDOT can provide tuition reimbursement to eligible classified employees pursuing courses and degrees aligned with their job roles and agency needs. Contingent on business relevance, budget and supervisor approval, VDOT employees all over the state may complete course work, even pursue advanced degrees that will help them with career progression.

To learn more about the Learning Partnership Program, contact your District or Central Office Training Manager.
Career Development

The Virginia Department of Transportation (VDOT) wants every employee to think about their relationship with the agency as a career rather than a job. VDOT leaders challenge our employees to be constantly growing and developing.

We need a strong workforce that is capable of addressing transportation challenges today and well into the future. We want employees to be able to move sideways, as well as up the organization, as they develop skillsets to be competitive for other positions. Career development supports our efforts to fill the VDOT talent pipeline, especially in key areas of our business.

Career development helps our employees to see opportunities for the future in a more structured way. Career Development at VDOT includes:

• A one-stop online team site and resources for employees/managers.
• Aspirational positions in some of VDOT’s core business areas and how to best develop for them.
• Ways to develop leadership competencies & technical skills.
• Career coaches that are VDOT trained professionals.
• Links to systems to access jobs beyond those featured in the team site.

Navigate to the Career Development site from the Human Resources homepage or go to https://insidevdot.cov.virginia/div/lc/ADM/CD/.

If you would like to discuss your development at VDOT, contact your District Training Manager and make an appointment to take charge of your future.

To learn more, go to the Human Resources Division site under Workforce Development, select "Career Development" or go to https://insidevdot.cov.virginia.gov/div/lc/ADM/CD/SitePages/Home.aspx or http://www.virginiadot.org/jobs/career_development.asp (external site)

Career Development is a coordinated approach for employees to grow their skills, add value to the business, learn new things and make themselves more marketable. Whenever you add to your toolbox, you are more valuable and are acquiring skills to develop your career.

Career Development at VDOT includes:

- An online framework, tools and resources for employees, coaches and supervisors to support more meaningful career development conversations.
- Critical positions in some of VDOT’s core business areas and how to best develop for them.
- Targeted ways to develop leadership competencies and technical skills.
- Career coaches to help you define and achieve your goals.
- Transparency around job descriptions, required technical competencies and development actions.
- Links to resources to access jobs beyond those featured in the team site.

Why is VDOT investing in this now?

We are investing in Career Development because we realize the need for our agency to be a learning organization, build our bench strength, and deepen our talent pool to meet current and future business needs.

What is a career coach?

Coaches are training professionals who provide career counseling and work in partnership with the employee and supervisor. They help the employee make meaning of their assessments, ask probing questions about interests and skills and discuss career development options. Coaches also provide feedback and guidance on the development plans that employees have created.

When should I consider Career Development? Anytime! All of the time! Skills, jobs, the industry, life outside of work and you change constantly. Career Development can help you to do better in your current role, break out of a comfort zone or prepare you for your next job.

Does development for or pursuing a position guarantee a promotion?

No. Career Development is not a check-the-box exercise.

Do I have to stay in my function or role, break out of a comfort zone or can I look at other careers?

Explore your interests and skills in all areas of VDOT. We value cross-functional and cross-geographical experiences that provide new skills and perspective.

How do I Get Started?

1. Go to the Career Development team site.
2. Complete the self-assessment.
3. Review with your supervisor.
4. Schedule time to meet with a career coach.

How Do I Keep Going?

- Complete the self-assessment.
- Review with your supervisor.
- Schedule time to meet with a career coach.
- Explore your interests and skills in all areas of VDOT. We value cross-functional and cross-geographical experiences that provide new skills and perspective.

How can I set SMART goals?

- Specific
- Measurable
- Achievable
- Relevant
- Time-bound

How do I use the Career Development team site?

- elbows and resources for employees, coaches and supervisors to support more meaningful career development conversations.
- Critical positions in some of VDOT’s core business areas and how to best develop for them.
- Targeted ways to develop leadership competencies and technical skills.
- Career coaches to help you define and achieve your goals.
- Transparency around job descriptions, required technical competencies and development actions.
- Links to resources to access jobs beyond those featured in the team site.
