

Video: *Traffic approaching a work zone.*

Audio, with music underneath: As you travel Virginia's highways, you will see the color orange as you approach highway work zones.

Video: *Work zone near an interstate exit.*

Audio: Orange signs, cones, barrels and flashing lights ...

Video: *Work zone on a primary road.*

Audio: ... mark the areas where road construction and maintenance work is under way.

Video: *Work zone on an interstate.*

Audio: These work zones are dangerous areas for both highway worker and motorists.

Video: *Workers fixing pothole on an interstate.*

Audio: Over the last few years, highway construction has been identified as the most hazardous occupation in the country.

Video: *Long shot of work zone on an interstate.*

Audio: However, most people killed or injured in work zones are motorists, not workers.

Video: *Work zone on an interstate.*

Audio: The top five offenses charged to motorists in work zone crashes are:

Video: *Each offense is superimposed over image.*

Audio:

- Reckless driving
- Following too closely
- Failure to yield right of way
- Improper lane change
- And failure to maintain control

Video: *State police car in work zone.*

Audio: Remember, Virginia State Police are posted in many work zones, so heed the warning signs, and the speed limit.
