

Fall Bicycle and Pedestrian Advisory Committee Meeting

October 28th, 2015

John Bolecek

Statewide Bicycle and Pedestrian Planner

Virginia Statewide Bicycle and Pedestrian Advisory Committee
Fall Meeting
24th Floor Conference Room
600 E. Main St Richmond, Virginia 23219
October 28th, 2015
10:00 am – 2:30 pm

- | | |
|---|-----------------------------------|
| 1. Welcome and introductions | John Bolecek 10:00 am to 10:15 am |
| 2. Rumble strips, stripes and bicycles | Mark Cole 10:15 am to 10:45 am |
| 3. Evolution of biking and walking programs | Andy Clarke 10:45 am to 11:30 am |
| 4. VDOT Bicycle and Pedestrian Program update | John Bolecek 11:30 am to 12:00 pm |
| o Overview of projects | |
| o Business Plan update | |
| o Limited Access report completed | |

Break to pick up lunch - bring back for working lunch Break 12:00 pm Resume 12:30 pm

- | | |
|--|--------------------------------------|
| 5. Updates on Committee's top technical concerns: | Various 12:30 pm to 1:00 pm |
| o Creating and improving long distance routes | |
| i. Capital Trail completed | |
| ii. Website to report missing USBR signs here: https://my.vdot.virginia.gov/ | |
| o Maintenance Payments / funding loss from road diets | |
| i. VDOT webinar held 10/14 with cities and towns to gather additional feedback | |
| o Sweeping bike lanes / snow clearing | |
| o Urban standards / urban retrofits / DRPT Multimodal Design Guidelines and NACTO | |
| i. NCUTCD Committee Update | |
| ii. Separated bicycle lanes addressed in VDOT Road Design Manual | |
| o Update on Review of 2004 CTB Policy | |
| 6. Driver's Education Research Project | Andrew Mondschein 1:00 pm to 1:30 pm |
| 7. Bicycle and pedestrian education discussion | Vanessa Wigand 1:30 pm to 2:15 pm |
| 8. Closing | John Bolecek 2:15 pm to 2:30 pm |
| o Meeting dates for 2016 | |
| o Summary of follow-up items from this meeting | |
| o Discussion of future agenda Items | |

October 2015 BPAC Meeting Overview

Agenda

1. Welcome and Introductions
2. Rumble strips, stripes and bicycles
3. Evolution of biking and walking programs
4. VDOT Bicycle and Pedestrian Program update
5. Top Five Technical Concerns
6. Driver's Education Research Project
7. Bicycle and pedestrian education discussion
8. Closing

1. Welcome and Introductions

Introductions

- Name
- Location
- Representation

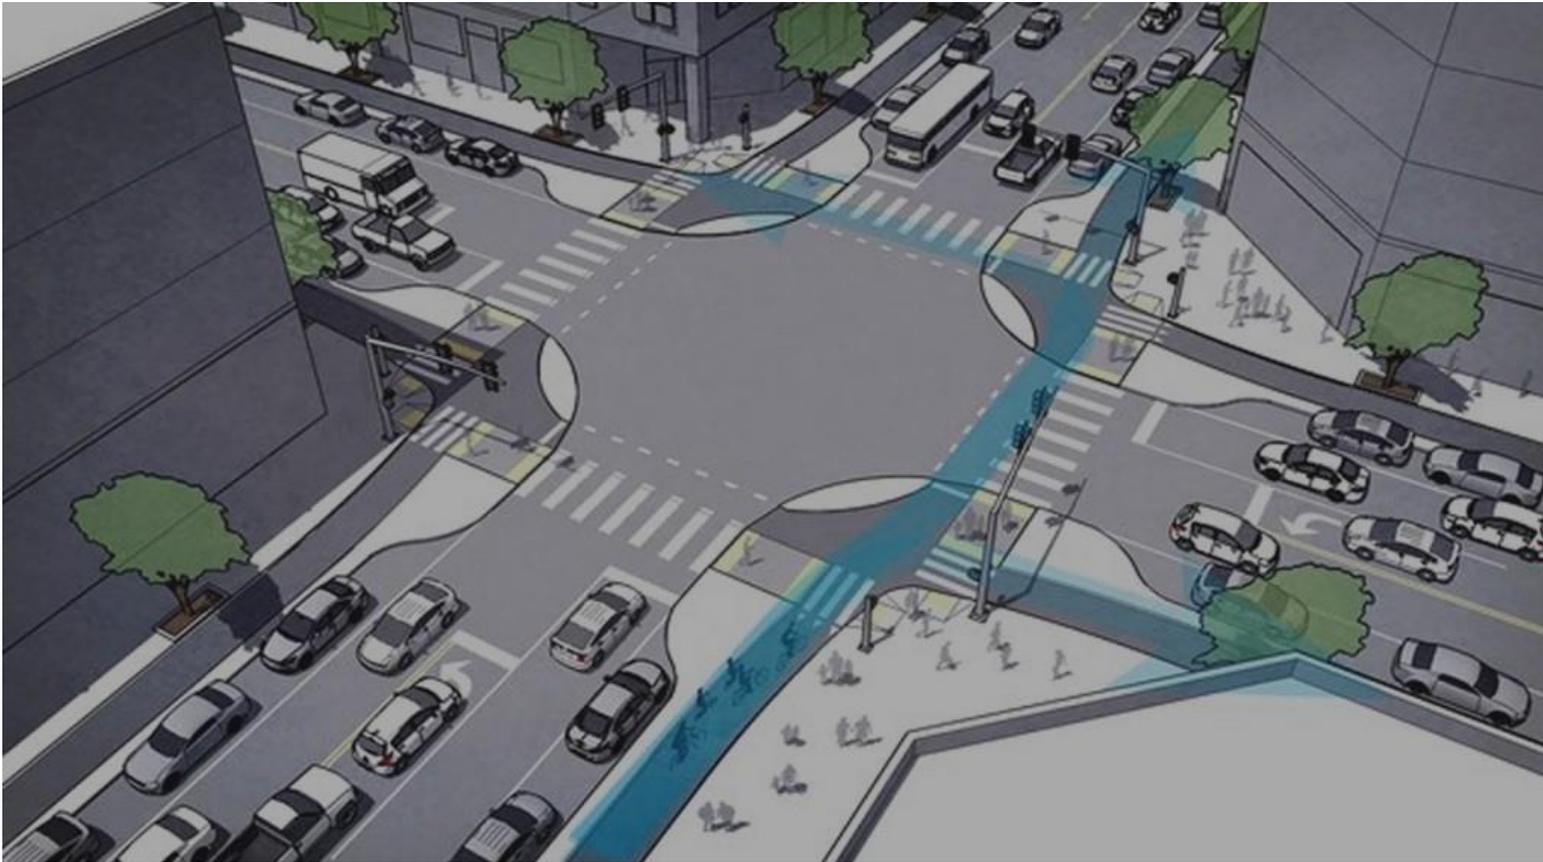

2. Various VDOT Safety Initiatives

Mark Cole 10:15 to 10:45am

3. Evolution of Biking and Walking Programs

Andy Clarke 10:45 am to 11:30 am

4. State Bicycle and Pedestrian Program

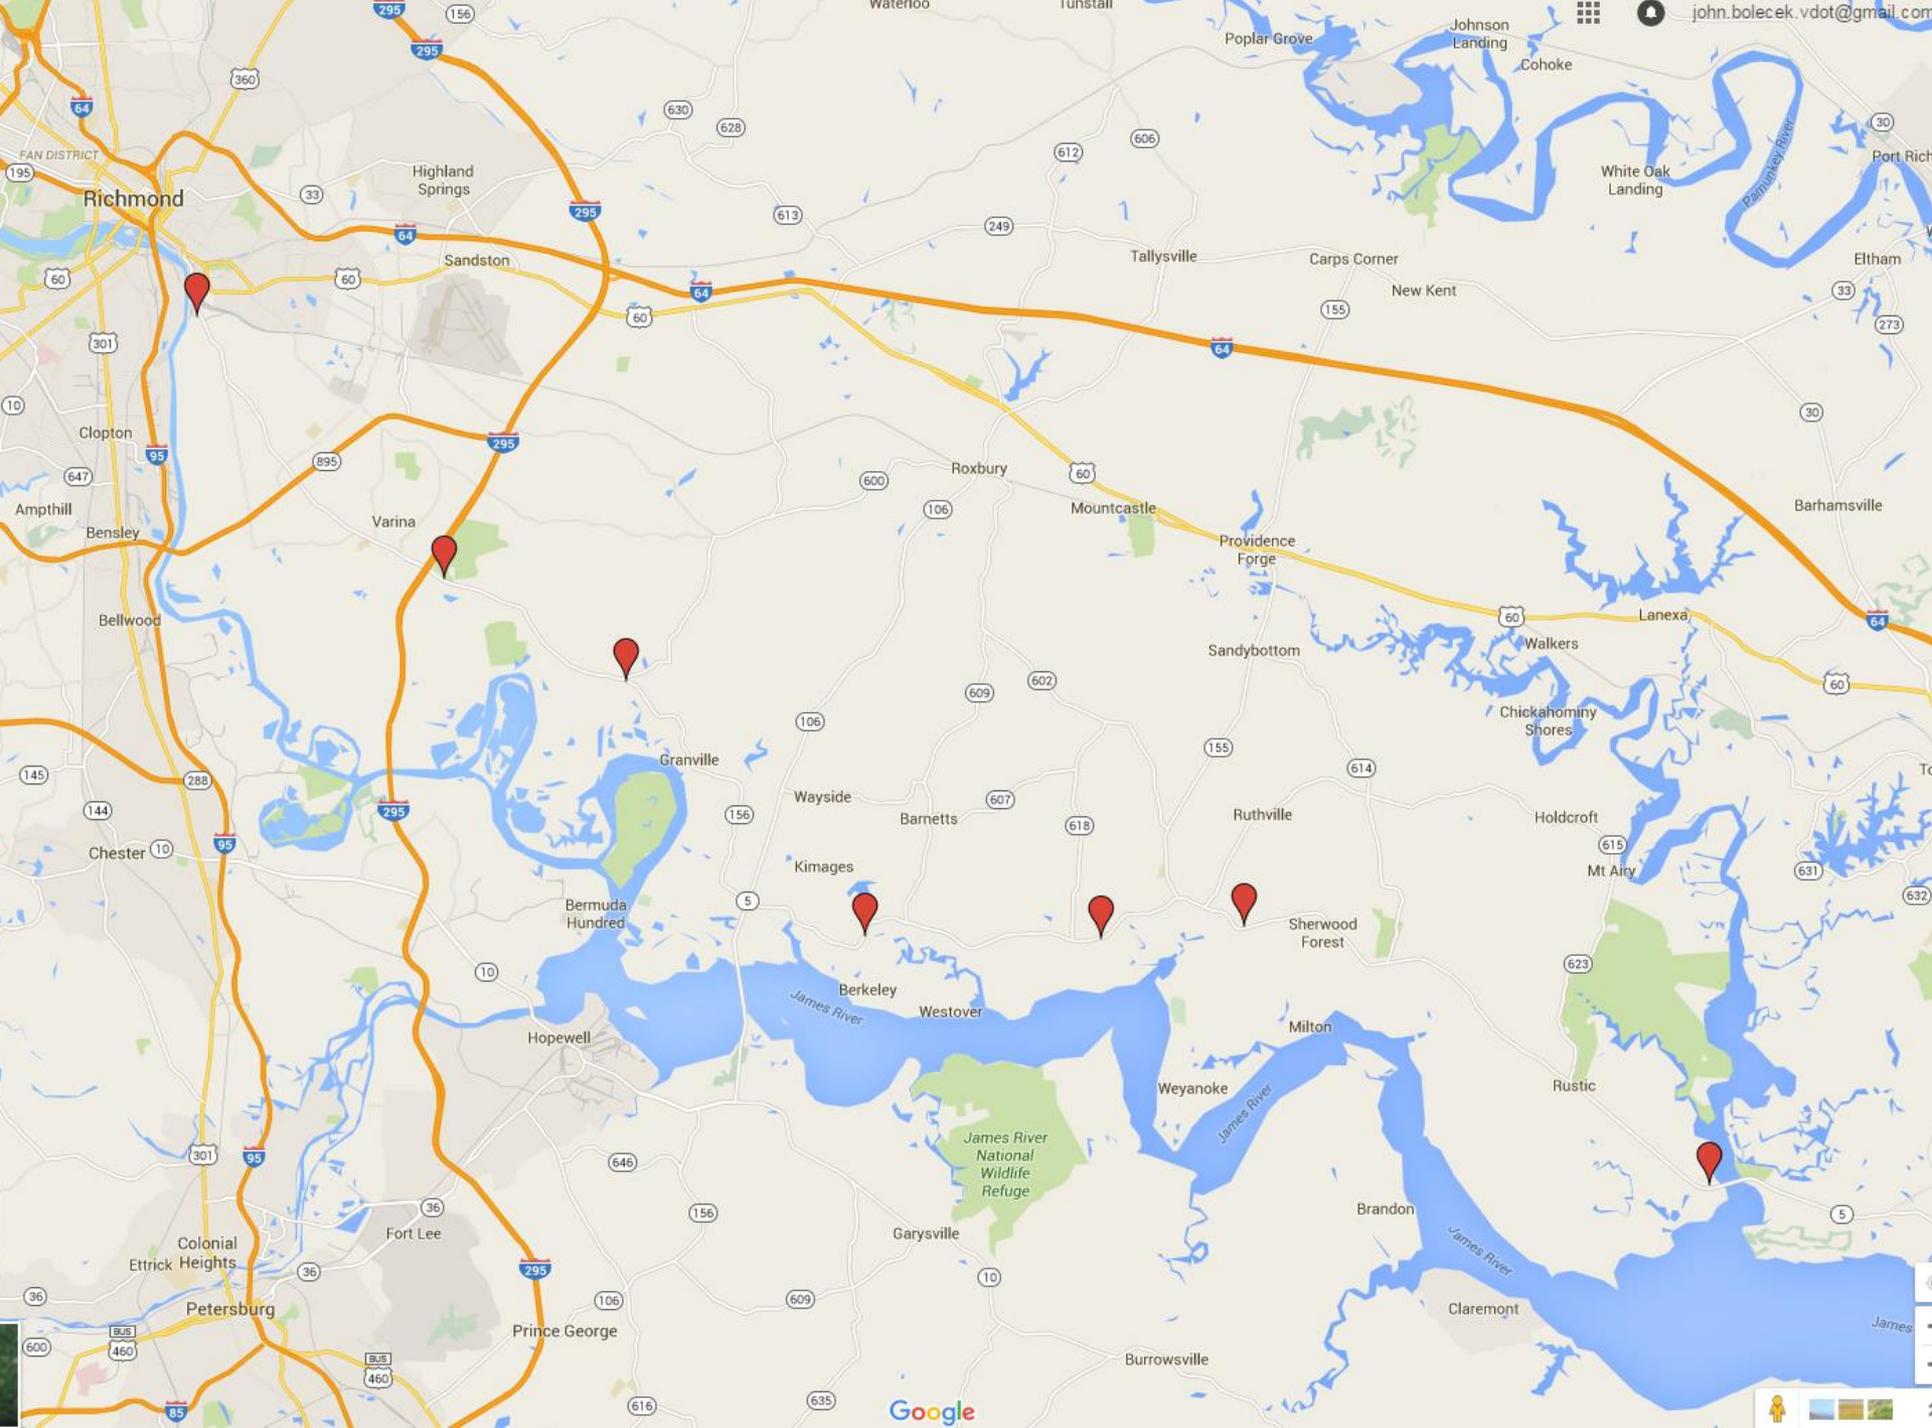

Projects Underway

- **Southeast High-speed Rail Greenway Study**
 - Project has closed out
 - Only 13% of Greenway Alignment will fall on abandoned rail ROW
- **Business Plan Items**
 - Will repeat in FY16
 - Feedback from local governments and advocates
- **Count Program**
 - 7 counters along Capital Trail
 - VCU MURP project assisting with starting a count program
- **HB2**
 - Metrics looking at accessibility
- **2004 CTB Compliance**
 - Audit nearing completion

State Bicycle and Pedestrian Program

Other news

- **Road Diets**
 - **Road Diet Tool: Can send ArcGIS map to committee**
- **Limited Access Report**
 - **Report finalized**
 - **Drafting guidance on subject**
- **U.S. Bike Routes**

FY16 Business Plan

2.1.2 Monitor the ongoing process developed with local governments and advocacy groups to expand opportunities to integrate pedestrian and bicycle solutions into projects.

VDOT is committed to increasing stakeholder engagement to enhance integration of active transportation solutions in the Six Year Improvement Program, and to ensure that citizens play a meaningful role in transportation decision-making process. The Statewide Bicycle and Pedestrian Advisory Committee provides feedback by identifying opportunities for incorporation into the plan and by commenting on the bicycle and pedestrian aspects in new projects in the Six Year Improvement Program. Reporting on the opportunities identified by the committee will be published each year.

Business Plan Item 2.1.2

- **Process for the Statewide Bicycle and Pedestrian Advisory Committee (BPAC) to Provide Comments on new Projects in the SYIP**
 - **Statewide Bicycle and Pedestrian Planner Sends out project list as excel file (With added info this time)**
 - **Virginia Roads can be used to show the start and end point of the projects <http://virginiaroads.org/projects/map>. Simply search by the project's UPC and it will appear on the map**
- **October 28th – State BPAC review of all comments made and discussion of any questions**
- **At April 22nd BPAC meeting – Final comments approved**
- **May 8th - Final comments sent to Project Managers for inclusion in scoping files**

6. Committee's Top Technical concerns

1. Creating and improving long distance routes

1. Capital Trail completed
2. Exploring options to fund signs on US Bike Route 1 in NOVA
3. Website to report missing signs here: <https://my.vdot.virginia.gov/>

2. Maintenance Payments / funding loss from road diets

1. VDOT webinar held 10/14/15 with cities and towns to gather feedback on HB1402 report due in December

3. Sweeping Bike Lanes / snow clearing

4. Urban Standards / Urban Retrofits / DRPT Multimodal Design Guidelines and NACTO

1. "Separated Bike Lane Planning and Design Guide" released by FHWA and available here:
http://www.fhwa.dot.gov/environment/bicycle_pedestrian/publications/separated_bikelane_pdg/page00.cfm
2. NCUTCD Committee Update

5. Limited Access Policy

1. Report finalized

6. Update on Review of 2004 CTB Policy

Review almost completed

How can we help you?

- I need a road repaired
- I need something removed from a road
- I need signs or traffic devices repaired
- I need new signs or traffic devices installed
- I need information
- I want to submit a claim

Please select the category of request.

Note: VDOT does not maintain roads in cities, towns, or in Henrico and Arlington counties, except for interstates and major primary roads.

Updated website and method to report missing signs and other maintenance issues

Continue

Please submit a separate report for each request. If your request is related to a road hazard that needs immediate attention, please call 1-800-367-7623 (FOR-ROAD). For emergencies, please dial 911.

Check service request status

What's your service request number?

Check your status

Traffic Information

511 offers real-time traffic info. Anytime you need it, anywhere you are.

Update on Compliance Review of 2004 CTB Policy

Parameters for review:

- At least 10% of projects scoped in the last 5 years
- At least 10% of projects in each district
- At least 10% of each type: construction, maintenance and locally administered
- Roughly 2000 projects

Virginia Department of Transportation
Policy for Integrating Bicycle and Pedestrian Accommodations

1. Introduction

Bicycling and walking are fundamental travel modes and integral components of an efficient transportation network. Appropriate bicycle and pedestrian accommodations provide the public, including the disabled community, with access to the transportation network; connectivity with other modes of transportation; and independent mobility regardless of age, physical constraints, or income. Effective bicycle and pedestrian accommodations enhance the quality of life and health, strengthen communities, increase safety for all highway users, reduce congestion, and can benefit the environment. Bicycling and walking are successfully accommodated when travel by these modes is efficient, safe, and comfortable for the public. A strategic approach will consistently incorporate the consideration and provision of bicycling and walking accommodations into the decision-making process for Virginia's transportation network.

2. Purpose

This policy provides the framework through which the Virginia Department of Transportation will accommodate bicyclists and pedestrians, including pedestrians with disabilities, along with motorized transportation modes in the planning, funding, design, construction, operation, and maintenance of Virginia's transportation network to achieve a safe, effective, and balanced multimodal transportation system.

For the purposes of this policy, an accommodation is defined as any facility, design feature, operational change, or maintenance activity that improves the environment in which bicyclists and pedestrians travel. Examples of such accommodations include the provision of bike lanes, sidewalks, and signs; the installation of curb extensions for traffic calming; and the addition of paved shoulders.

3. Project Development

The Virginia Department of Transportation (VDOT) will initiate all highway construction projects with the presumption that the projects shall accommodate bicycling and walking. Factors that support the need to provide bicycle and pedestrian accommodations include, but are not limited to, the following:

- project is identified in an adopted transportation or related plan
- project accommodates existing and future bicycle and pedestrian use
- project improves or maintains safety for all users
- project provides a connection to public transportation services and facilities
- project serves areas or population groups with limited transportation options
- project provides a connection to bicycling and walking trip generators such as employment, education, retail, recreation, and residential centers and public facilities
- project is identified in a Safe Routes to School program or provides a connection to a school

Follow

Help share our roads and give bikes the room they need! Never park or stop a vehicle in bike lanes. #BikeSafety

Arlington County Police Department
Bike Safety Tip

Can I stop in a **BIKE LANE?**

Are you riding a bike?

NO → YES YOU CAN

YES → But I have my flashers on!

Are they attached to a bike?

NO → NO YOU CANT

YES → YES YOU CAN

See a hazard? Report to our non-emergency line at 703.568.2222
