# Work Zones

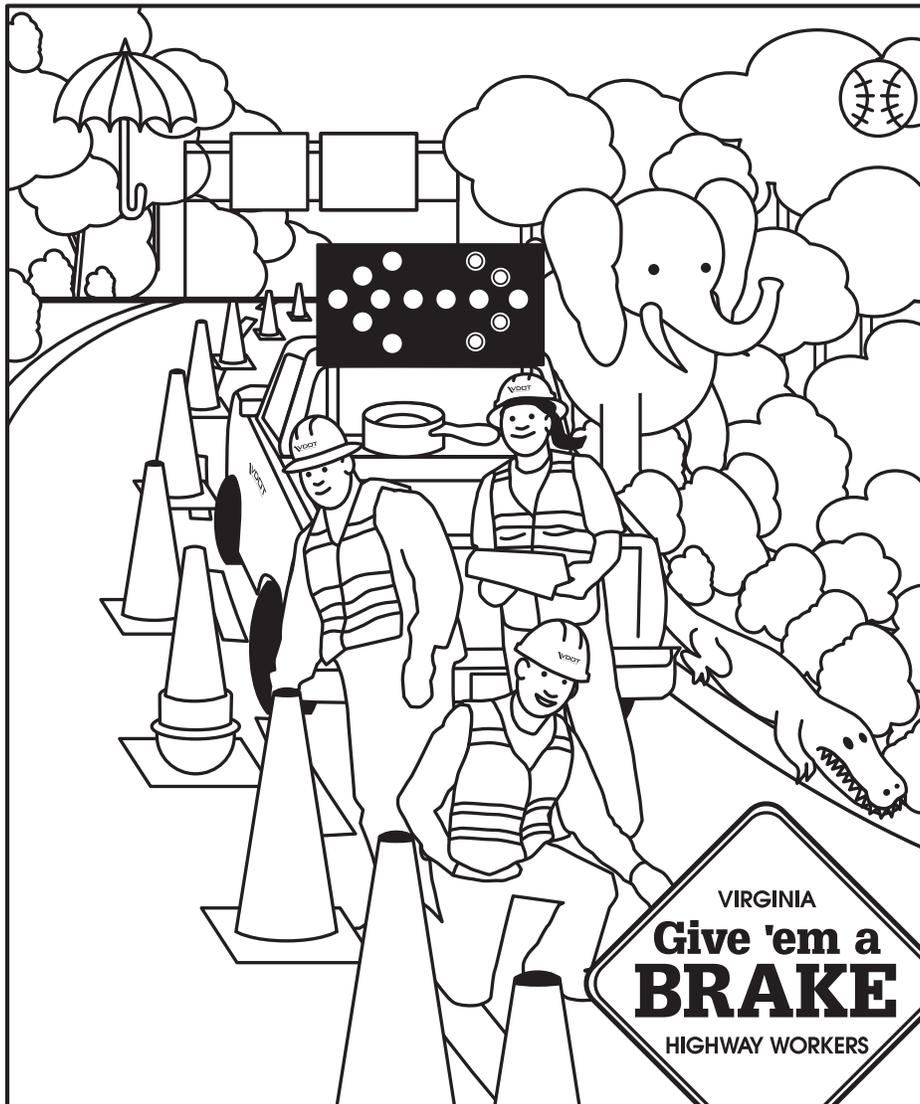

## "See Orange - Give 'em a Brake!"

Work zones may be set up on your neighborhood street or on the interstate. The color orange tells people that someone is working near the road. The workers put up orange signs, orange cones, and orange barrels when they are working. They wear yellow-green vests.

When you and the driver see these orange signs, stay alert, slow down and watch out for the workers. Tell the driver to "Give highway workers a brake!"

Here is a picture of a work zone. Use an orange crayon or pencil to color the cones, barrels, and signs that are typical safety features. Then, look for some hidden things in the picture that are very unusual. See if you can find them all and circle them!

*Look for an ice cream cone, baseball, frying pan, umbrella, alligator, and elephant!*
