Overview

- **TIP/STIP Update**
- **STIP MOA Update**

TIP/STIP Update

- **Normal cycle for update is every 3 years to ensure no possibility of lapsing**
- **Last updated for October 1, 2014; new update would be for October 1, 2017**
- **Will be reaching out to VAMPO and multi-state MPOs to coordinate schedule development for the update**
 - **HB2 impacts will be known with adoption of 2017-2022 SYIP in June**
 - **Data quality impacts TIP/STIP development**
- **Please include TIP update efforts into your Work Programs for FY2017**

STIP MOA Update

- **Current STIP Procedures MOA between VDOT, DRPT, FHWA and FTA signed in 2008**
- **Undertaking update to the MOA**
- **Initial soft kickoff with VDOT, DRPT, FHWA, and FTA held in January**
- **Opportunity to provide clarifications, incorporate approved processes, and update for latest federal authorization (FAST Act)**
- **Plan to share draft with MPOs and have substantially completed prior to TIP/STIP update**
