COMMENT SHEET

All comments submitted will become a part of the public hearing transcript and will be made available to the public.

Name: *(optional)* _____

Address: *(optional)* _____

With this project, VDOT proposes to relocate Route 767 (School Bus Road) from its existing alignment to create a four-way intersection at Route 22/208 (Davis Highway) and Route 625 (Chalk Level Road). Left and right turn lanes and paved shoulders will be added on Route 22/208 to improve safety and mobility for motorists and bicyclists. Construction is anticipated to take about one year and will require periodic lane closures.

Do you support this project?

YES NO

Yes, with modifications (please describe the modifications)

Please provide us with any additional information that you believe will assist VDOT in developing the final design of this project.

Was the information at tonight’s meeting presented in a way that was easily understood, and was VDOT staff able to answer your questions and concerns? **YES NO**
