Join us to see the results of the environmental study that analyzes the extension of Route 58, Martin Luther King Freeway to Interstate 264. The Environmental Assessment presents a comprehensive analysis of the potential environmental impacts associated with the proposed roadway. Find out about possible social, economic, and environmental impacts, property impacts, proposed road and Interstate ramp closures (the Des Moines Ave. and South Street ramps) and relocation assistance policy relative to the roadway alternative.

Give your written or verbal comments at the hearing or submit them by May 26, 2008, to Mr. Nick Nies, Project Manager, VDOT 1401 East Broad Street, Richmond, Virginia, 23219. You may also e-mail your comments to us at: [nicholas.nies@vdot.virginia.gov](mailto:nicholas.nies@vdot.virginia.gov). Please reference "MLK PH comment" in the subject heading.
