Find out about a STARS (Strategically Targeted Affordable Roadway Solutions) study assessing potential safety and operational improvements for two miles of Route 50 (Lee Jackson Memorial Highway) between Route 28 (Sully Road) and Stringfellow Road (Route 645). The concepts being studied include improving traffic signal timing and operations, adding or extending turn lanes, access management for properties along the corridor, and innovative intersection improvements.

Stop by between 6:30 p.m. and 8:30 p.m. to view displays and learn more about the study. A presentation will begin at 7 p.m. Study staff will be available to answer your questions.

Review project information at the VDOT project website (www.virginiadot.org/route50chantillystudy), at the information meeting, or during business hours at VDOT's Northern Virginia District Office, 4975 Alliance Drive, Fairfax, VA 22030.
