## Location Study Public Hearing

# Dulles Air Cargo, Passenger and Metro Access Highway Loudoun County

Thursday, June 13, 2013, 6:30-8:30 p.m.  
Creighton's Corner Elementary School  
23171 Minerva Drive  
Ashburn, VA 20148

## Public Meeting

Welcome to the Virginia Department of Transportation's (VDOT) Public Hearing on the location study and draft Environmental Assessment, providing an opportunity to learn and inquire about the proposed improvements to passenger and cargo access to the western side of Dulles International Airport and the future Metrorail station in Loudoun County. We look forward to your active participation.

This public hearing is being held to provide an opportunity for any person, acting on his or her behalf or representing a group or governing agency, to give VDOT comments and/or suggestions concerning the proposed project. It is the responsibility of VDOT to

ensure that all members of the community are afforded the opportunity to participate in public decisions on transportation systems and projects affecting them. VDOT representatives are present to discuss the project and answer your questions.

A comment sheet is included within the handout for this meeting and your input is encouraged. All oral and written comments received on this project will be included in a transcript for review by VDOT personnel, citizens and other interested parties. VDOT staff will address questions and concerns raised as a result of this meeting before the project is presented to VDOT's Chief Engineer for consideration.

## Project Overview

**Purpose**– Limited access roadway facility to provide improved cargo freight and passenger access to the Washington Dulles International Airport and WMATA–Silver Line

**From**– US Route 50, approx. 2.23 miles west of Loudoun County Parkway

**To**–Terminates approx. 1.65 miles north of US Route 50 at the intersection of Arcola Road and Rt. 606

**Total Project Length**–To Be Determined

**Improvements:** Enhance the future movement of people, passenger services and air cargo traffic to and around Dulles Airport and WMATA Metro–Silver Line, by providing a limited access roadway facility to the west of the airport to serve the planned air cargo expansion and airport facilities.
