Monica Backmon
Executive Director
Northern Virginia Transportation Authority
3040 Williams Drive, Suite 200
Fairfax, VA 22031

Dear Ms. Backmon:

I am writing to notify you that the Washington Area Transit Authority is withdrawing the two projects previously submitted for funding: the Blue/Orange/Silver Corridor Capacity and Reliability Improvements/"New Blue Line" Alternatives Analysis and Project Development and the Automatic Train Control (ATC) Power and Wayside Communications Upgrades on Blue/Orange Lines.

Given the recent actions by the Virginia General Assembly providing dedicated funding for WMATA's capital program, we will advance the projects through our own capital funding program.

WMATA appreciates the important role NVTA plays in funding projects which improve transportation across Northern Virginia and thank you for your ongoing support of WMATA.

Sincerely,
