## **ONE TRAVEL LANE ON I-295 NORTH TOMORROW** *Meadowville Road interchange construction*

***I-295 north (Chesterfield)*** – Starting at 8 a.m. tomorrow, the right lane will be closed on I-295 north between Route 10 (Exit 15) and the Varina-Enon Bridge for construction of the Meadowville Road interchange. At 9 a.m., crews will close the center lane, leaving one travel lane northbound through 4 p.m. Expect delays.

The right lane of both I-295 north and southbound will remain closed through July.

For more information about the Meadowville Road interchange project, visit [http://www.virginiadot.org/projects/richmond/meadowville\\_interchange\\_chesterfield.asp](http://www.virginiadot.org/projects/richmond/meadowville_interchange_chesterfield.asp).

For the latest real-time traffic information, call 511 or visit <http://www.511virginia.org>.
