

PUBLIC MEETING

Route 419 Corridor Study

Thursday, December 3, 2009, 6 – 8 p.m.

Brambleton Recreation Center

3738 Brambleton Avenue, Roanoke, VA 24018

The Roanoke Valley Metropolitan Planning Organization, in association with the Virginia Department of Transportation, invites citizens to comment on proposed alternatives to address short- and long-term transportation needs along the Route 419 corridor. Input from the community, especially those who travel or live and work within the corridor, is extremely important to the success of the study.

To review materials prior to the meeting, a draft of the plan can be found at <http://www.rvarc.org/419/419plan.htm>.

Mark your calendars to attend the final public meeting for the study where you will have an opportunity to review alternatives and share your thoughts for the future of the corridor. Representatives from the MPO, VDOT and the study team will be available to answer your questions and receive comments regarding this important study.
