The Commonwealth Transportation Board (CTB) invites your comments about essential rail, transit, transportation demand management, bicycle, pedestrian and highway projects in the Working Draft Revised Fiscal Year 2010-2015 Six-Year Improvement Program (SYIP) to be approved by the CTB in December 2009.

*(Public hearings for local/secondary/municipality-maintained roads are held in other forums.)

All projects in the SYIP that are eligible for federal funding will be included in the Statewide Transportation Improvement Program, which documents how Virginia will obligate its share of federal funds.

Lists of specific projects and changes from the current program will be available at the public hearing, on VDOT's web site at VirginiaDOT.org, and at VDOT District and Residency Offices prior to the hearing.
