

Route 668 (Mount Pleasant Church Road) bridge over Branch of Borden Creek in Botetourt County

Contracted work to rehabilitate four different bridges in VDOT's 12-county Salem District will begin in spring 2015 and be completed by summer 2016.

The Route 668 bridge over a Branch of Borden Creek in Botetourt County is one of the four bridges included in this contract. The bridge is located near the Route 666 intersection.

The bridge work will require a five-day closure. Traffic will be detoured during the closure onto Route 635 and Route 655. The detour route is 6.4 miles.

The exact date of the closure is yet to be determined but will be scheduled in the summer or fall months of 2015 or in the spring or summer months of 2016. No work can be performed during the winter months.

Additional signage will be installed on the bridge two weeks before the detour will be in place.
