## Hot Spots for the Fredericksburg Region *April 14 – April 20, 2013*

### I-95 Traveler Alert

**(Update) Thursday, 9 p.m. – 1 a.m.**; crews will continue repairing potholes on northbound and southbound I-95 between the Hanover/Caroline County line and the Stafford/Prince William County line. This is a mobile operation. One lane will be closed in the work zone.

### Stafford County

#### Interstate 95

**(New) Monday – Friday, 9 a.m. – 3:30 p.m.**; motorists traveling south on I-95 near Exit 136 (Centreport Parkway) should be alert to crews and equipment mobilized along the shoulder at mile marker 138. Crews will be removing trees and vegetation from the median. Work is expected to be complete in approximately three weeks. All travel lanes will be open.

#### Route 1 at Aquia Creek Bridge

**Monday – Thursday, 9 a.m. – 5 p.m.**; motorists will be restricted to one lane on Route 1 north between Garrisonville Road and Telegraph Road. This lane closure is in connection with the Route 1 bridge over Aquia Creek Bridge Replacement project.

#### Falmouth Intersection (Route 1/Route 17/Route 218)

**Monday – Friday, daylight – dusk**, utility relocation is underway at the Falmouth intersection. Motorists may experience periodic lane closures on Route 1, Route 17 and Butler Road. This work is in connection with the Falmouth Intersection Improvement Project. Construction work will begin in early 2014.

(MORE)

## **Caroline County**

### **Route 207 bridge over the Mattaponi River**

**(New)** **Sunday – Thursday, 8 p.m. - 5 a.m.;** motorists will be restricted to one lane on the Route 207 bridge over the Mattaponi River for bridge joint repair work.

### **Route 207 bridge over the CSX Railroad**

**(New)** Westbound traffic on Route 207 at the bridge over the CSX rail tracks has been shifted to the new westbound bridge. One lane remains closed on the eastbound bridge. Motorists should be alert to the new traffic pattern. This is in connection with the Route 207 Bridge Replacement Project. The project is expected to be complete in May.

## **Under Construction**

### **Spotsylvania County**

#### **Route 208 (Spotsylvania Courthouse Bypass, Phase II)**

Construction continues on the final segment of the Spotsylvania Courthouse Bypass from Post Oak Road to just east of the Ta River near Lake Anna. Estimated completion date is spring 2013.

#### **Route 3 Widening Project (Spotsylvania County Project)**

This widening project of Route 3 is located between Chewing Lane and Gordon Road.

### **Stafford County**

#### **Route 1 Bridge over Aquia Creek**

Crews are replacing the Route 1 bridge at Aquia Creek, located just south of Telegraph Road. Motorists should be alert to construction equipment entering and exiting the work zone. Estimated completion date is August 2015.

### **Caroline County**

#### ***(Update)* Route 207 Bridge Replacement Project**

Work is underway to replace the westbound Route 207 bridge over the CSX railroad tracks. Westbound traffic has been shifted to the new bridge and one lane remains closed on the eastbound bridge. Motorists should be alert to this new traffic pattern. The speed limit remains 45 mph in the work zone. Estimated completion date is May 2013.

### **King George County**

#### **Route 301 Bridge over the Rappahannock River**

Work is underway on the Route 301 bridge over the Rappahannock River. The bridge connects Caroline and King George counties at Port Royal. All traffic has been shifted to the southbound lanes on the bridge with one lane open to traffic in each direction. Motorists should be alert to construction activity and changes in traffic patterns. Estimated completion date is July 2013.
