King George County

Route 218 @ Machodoc Creek

(New) Beginning Monday, February 2, traffic on the bridge will be reduced to one lane. Temporary traffic signals will be activated on each approach to the bridge. These signals will control traffic crossing the bridge, and will be in place through July 2015. Motorists can expect an additional 5-10 minutes to cross the bridge during peak travel times on weekday mornings and afternoons. In addition, a 10 foot lane width restriction for vehicles will be put in place starting in early January. Vehicles requiring more than a 10 foot lane width will not be allowed to cross the bridge. This work is in connection with the bridge over Machodoc Creek bridge replacement project.

Under Construction

Spotsylvania County

Leavells Road at Harrison Road

The median and turn lane improvement project at the Route 639 (Leavells Road) and Route 620 (Harrison Road) intersection is underway. Motorists should be prepared for lane closures, construction activity and temporary traffic patterns through April 2015, when the project will be completed. The median crossover on Leavells Road at Route 1474 (Griffith Way) is permanently closed as part of the project. Access to Griffith Way will be maintained at a second crossover.

Loriella Park Drive

The road is currently closed with a detour in place. The work has been extended beyond the scheduled late January re-opening. The road is now scheduled to open in late February 2015.

Plantation Forest Drive

Construction will continue with single-lane closures through April 2015.

Stafford County**Route 17**

Construction is underway to widen Route 17 from four to six lanes between McLane Drive and Stafford Lakes Parkway, a distance of nearly 2 miles. The work zone extends from just south of the I-95 interchange to Cardinal Forest Drive. Motorists should be alert to changes in traffic pattern and periodic overnight lane closures. Project completion date is December 2016.

Falmouth Intersection (Route 1/Route 17 Business/Route 218)

Construction is underway. Motorists should be prepared for brief delays and periodic lane closures on Butler Road and Route 1 just north and south of the Falmouth intersection. Project completion date is September 2015.
