## **Highway Improvement Projects**

## **City of Fredericksburg**

### **Fall Hill Avenue Widening and I-95 Overpass Replacement Project**

Construction is underway on the Fall Hill Avenue widening and I-95 overpass replacement project. Motorists should expect lane closures and brief delays on Fall Hill Avenue between the Rappahannock Canal bridge and Carl D. Silver Parkway (Central Park), as well as on Mary Washington Boulevard. The project will be completed in January 2017.

## **Stafford County**

### **Route 610/Onville Road Intersection Improvement Project**

Construction is underway at the intersection of Route 610 (Garrisonville Road) and Route 641 (Onville Road) to build additional turn lanes. Traffic has been reduced to one lane in each direction on Onville Road. The project will be completed in May 2017.

### **Route 17**

Construction is underway to widen Route 17 from four to six lanes between McLane Drive and Stafford Lakes Parkway, a distance of nearly 2 miles. The work zone extends from just south of the I-95 interchange to Cardinal Forest Drive. Travel lanes will remain open, but motorists may encounter slight traffic shifts in the work zone. This project will be completed by December 2016.

### **Route 1**

Be alert for a temporary traffic pattern on Route 1 southbound at the site of the new Aquia Hilton. The through lanes on Route 1 southbound from just south of Port Aquia Drive to just prior to the intersection of Route 1 and

Coachman Drive (at the 7-Eleven) will be shifted to the left. The continuous center lane for left turns in this area will be closed to accommodate the traffic shift. This work is related to construction of the Aquia Hilton. The pattern is anticipated to be in place through early July 2016.

### **Route 1 and Garrisonville Road Turn Lane Project**

Stafford County is locally administering a project to add a second right turn lane from Route 1 southbound to westbound Route 610 (Garrisonville Road). The project seeks to reduce congestion and driver delay on Route 1 southbound. New traffic signal equipment will also be installed at the intersection. Construction will begin in July and conclude in September 2016. Drivers may encounter lane closures during off-peak and overnight hours.

## **Spotsylvania County**

### **Route 1 and Route 620 (Harrison Road)**

Construction to build additional turn lanes and extend existing turn lanes is underway at the intersection of Route 1 and Harrison Road in Spotsylvania County. Motorists should be alert for construction crews and equipment. The project is scheduled to be completed in May 2018.

### **Route 628 (Smith Station Road)**

Construction is underway on the Route 628 (Smith Station Road) Turn Lanes and Signal Modification Project. The project is located on Smith Station Road near the Route 208 (Courthouse Road) intersection. Motorists should expect periodic lane closures and delays in the work zone.

## **Caroline County**

### **Route 722 (Nelson Hill Road)**

Nelson Hill Road is closed to traffic at the bridge over the Mattaponi River for a bridge rehabilitation project. Motorists should follow the posted detour route. Estimated completion is mid-September 2016.

## **Caroline County/King George County**

### **Route 301 at Rappahannock River**

Bridge rehabilitation is underway on the James Madison Memorial Bridge over the Rappahannock River. Maintenance will occur below the bridge deck and includes repairing concrete, replacing bearings, shoring up rip-rap on the slope, and replacing navigation lights. All lanes are currently open on the bridge, but single lane closures will be installed in the future. Project completion is October 2017.

## **Westmoreland County**

### **Route 205/Route 631 (Longfield Road)**

Motorists should be alert to construction crews and equipment in the vicinity of Route 205 and Route 631 (Longfield Road) as crews work to improve the existing intersection. The project will realign and widen the intersection and construct a right turn lane on Route 205 for vehicles turning onto Longfield Road. This project will be completed by July 2016.

## **Richmond County**

### **Route 3 Business and Route 360 Pedestrian Improvements**

Construction has begun to install new sidewalks, handicapped-accessible ramps and pedestrian crossing equipment at the intersection of Route 3 Business and Route 360 in the Town of Warsaw. Most construction

will occur outside of the roadway. Intermittent lane closures will be needed for trucks to deliver materials, for the construction of curbs and ramps, and for the installation of pedestrian crossing equipment, crosswalks, and final lane markings. Project completion is scheduled for July 18, 2016.

### **King and Queen County**

#### **Route 631 (Fleets Mill Road)**

Route 631 (Fleets Mill Road) is closed to traffic at the bridge over Fleets Creeks for a bridge replacement project. Route 17 (The Trail) to Route 360 (Richmond-Tappahannock Highway) and back to Route 631 is the designated detour route.
