## **Highway Improvement Projects**

### **City of Fredericksburg**

#### **Fall Hill Avenue Widening and I-95 Overpass Replacement Project**

Construction is underway on the Fall Hill Avenue widening and I-95 overpass replacement project. Motorists should expect lane closures and brief delays on Fall Hill Avenue between the Rappahannock Canal bridge and Carl D. Silver Parkway (Central Park), as well as on Mary Washington Boulevard. The project will be completed in January 2017.

## **Stafford County**

### **95 Express Lanes Southern Terminus (North of Exit 143/Garrisonville Road)**

Construction is underway on the project to extend 95 Express Lanes in Stafford County. The approximate [2.5 mile extension](#) will carry traffic beyond the flyover ramp where 95 Express Lanes currently end, just north of Exit 143 at Route 610 (Garrisonville Road). When the project is complete, northbound traffic in the main lanes will be able to enter 95 Express Lanes earlier at a new left entrance south of the Garrisonville Road overpass. The existing left entrance north of Garrisonville Road will remain. Southbound Express Lanes traffic heading to the Fredericksburg area and south will be able to continue past Garrisonville and merge about one mile south of Garrisonville Road. The southbound ramp is scheduled to open by early 2018, and the northbound ramp will open in summer 2018.

### **Route 610/Onville Road Intersection Improvement Project**

Construction is underway at the intersection of Route 610 (Garrisonville Road) and Route 641 (Onville Road) to build additional turn lanes. Traffic has been reduced to one lane in each direction on Onville Road. The project will be completed in May 2017.

### **Route 17**

Construction is underway to widen Route 17 from four to six lanes between McLane Drive and Stafford Lakes Parkway, a distance of nearly 2 miles. The work zone extends from just south of the I-95 interchange to Cardinal Forest Drive. Travel lanes will remain open, but motorists may encounter slight traffic shifts in the work zone. This project will be completed by December 2016.

### **Route 1**

**(Update)** Be alert for a temporary traffic pattern on Route 1 southbound at the site of the new Aquia Hilton. The through lanes on Route 1 southbound from just south of Port Aquia Drive to just prior to the intersection of Route 1 and Coachman Drive (at the 7-Eleven) will be shifted to the left. The continuous center lane for left turns in this area will be closed to accommodate the traffic shift. This work is related to construction of the Aquia Hilton. This temporary traffic pattern has been extended.

### **Route 1 and Garrisonville Road Turn Lane Project**

Stafford County is locally administering a project to add a second right turn lane from Route 1 southbound to westbound Route 610 (Garrisonville Road). The project seeks to reduce congestion and driver delay on Route 1 southbound. New traffic signal equipment will also be installed at the intersection. Construction will begin in July and conclude in September 2016. Drivers may encounter lane closures during off-peak and overnight hours.

## **Spotsylvania County**

### **Spotsylvania Avenue and Mine Road Intersection Improvement Project.**

Construction is underway at the intersection of Spotsylvania Avenue and Mine Road Intersection Improvement Project. Crews will be adding turn lanes, adjusting the existing traffic signal renovating the sidewalk and median on Spotsylvania Avenue. Motorists should expect brief delays during the daytime hours. Extended lane closures will take place during the overnight hours. Motorists should expect periodic delays on Mine Road at the intersection. Construction is expected to be complete by mid-November.

### **Route 1 and Route 620 (Harrison Road)**

Construction to build additional turn lanes and extend existing turn lanes is underway at the intersection of Route 1 and Harrison Road in Spotsylvania County. Motorists should be alert for construction crews and equipment. The project is scheduled to be completed in May 2018.

**Route 628 (Smith Station Road)**

Construction is underway on the Route 628 (Smith Station Road) Turn Lanes and Signal Modification Project. The project is located on Smith Station Road near the Route 208 (Courthouse Road) intersection. Motorists should expect periodic lane closures and delays in the work zone.

**Caroline County****Route 722 (Nelson Hill Road)**

Nelson Hill Road is closed to traffic at the bridge over the Mattaponi River for a bridge rehabilitation project. Motorists should follow the posted detour route. Estimated completion is mid-September 2016.

**Caroline County/King George County****Route 301 at Rappahannock River**

Bridge rehabilitation is underway on the James Madison Memorial Bridge over the Rappahannock River. Maintenance will occur below the bridge deck and includes repairing concrete, replacing bearings, shoring up rip-rap on the slope, and replacing navigation lights. All lanes are currently open on the bridge, but single lane closures will be installed in the future. Project completion is October 2017.
