# Highway Improvement Projects

## City of Fredericksburg

### **Fall Hill Avenue Widening and I-95 Overpass Replacement Project**

Construction is underway on the Fall Hill Avenue widening and I-95 overpass replacement project. Motorists should expect lane closures and brief delays on Fall Hill Avenue between the Rappahannock Canal bridge and Carl D. Silver Parkway (Central Park), as well as on Mary Washington Boulevard. The project will be completed in January 2017.

## Stafford County

### **Route 610/Onville Road Intersection Improvement Project**

Construction is underway at the intersection of Route 610 (Garrisonville Road) and Route 641 (Onville Road) to build additional turn lanes. Traffic has been reduced to one lane in each direction on Onville Road. The project will be completed in May 2017.

### **Route 17**

Construction is underway to widen Route 17 from four to six lanes between McLane Drive and Stafford Lakes Parkway, a distance of nearly 2 miles. The work zone extends from just south of the I-95 interchange to Cardinal Forest Drive. Travel lanes will remain open, but motorists may encounter slight traffic shifts in the work zone. This project will be completed by December 2016.

### **Route 1**

Be alert for a temporary traffic pattern on Route 1 southbound at the site of the new Aquia Hilton. The through lanes on Route 1 southbound from just south of Port Aquia Drive to just prior to the intersection of Route 1 and Coachman Drive (at the 7-Eleven) will be shifted to the left. The continuous center lane for left turns in this area will be closed to accommodate the traffic shift. This work is related to construction of the Aquia Hilton. The pattern is anticipated to be in place through early July 2016.

## Spotsylvania County

### **Route 1 and Route 606 (Morris Road/Mudd Tavern Road) – *Project Complete***

The project to add left turn lanes on Route 1 northbound and southbound at the intersection of Route 1 and Mudd Tavern Road/Morris Road in the Thornburg area of Spotsylvania County is now complete.

### **Route 1 and Route 620 (Harrison Road)**

Construction to build additional turn lanes and extend existing turn lanes is underway at the intersection of Route 1 and Harrison Road in Spotsylvania County. Motorists should be alert for construction crews and equipment. The project is scheduled to be completed in May 2018.

### **Route 628 (Smith Station Road)**

Construction is underway on the Route 628 (Smith Station Road) Turn Lanes and Signal Modification Project. The project is located on Smith Station Road near the Route 208 (Courthouse Road) intersection. Motorists should expect periodic lane closures and delays in the work zone.

### **Caroline County**

#### **Route 722 (Nelson Hill Road)**

Nelson Hill Road is closed to traffic at the bridge over the Mattaponi River for a bridge rehabilitation project. Motorists should follow the posted detour route. Estimated completion is mid-September 2016.

### **Caroline County/King George County**

#### **Route 301 at Rappahannock River**

Bridge rehabilitation is underway on the James Madison Memorial Bridge over the Rappahannock River. Maintenance will occur below the bridge deck and includes repairing concrete, replacing bearings, shoring up rip-rap on the slope, and replacing navigation lights. All lanes are currently open on the bridge, but single lane closures will be installed in the future. Project completion is October 2017.

### **Westmoreland County**

#### **Route 205/Route 631 (Longfield Road)**

Motorists should be alert to construction crews and equipment in the vicinity of Route 205 and Route 631 (Longfield Road) as crews work to improve the existing intersection. The project will realign and widen the intersection and construct a right turn lane on Route 205 for vehicles turning onto Longfield Road. This project will be completed by July 2016.

### **Richmond County**

#### **Route 3 Business and Route 360 Pedestrian Improvements**

Construction has begun to install new sidewalks, handicapped-accessible ramps and pedestrian crossing equipment at the intersection of Route 3 Business and Route 360 in the Town of Warsaw. Most construction will occur outside of the roadway. Intermittent lane closures will be needed for trucks to deliver materials, for the construction of curbs and ramps, and for the installation of pedestrian crossing equipment, crosswalks, and final lane markings. Project completion is scheduled for July 18, 2016.

### **Lancaster County**

#### **Route 200 Sidewalk Construction**

Construction is underway to install new sidewalk along Route 200 (Irvington Road) in the Town of Irvington. A new sidewalk will be installed along the east side of Irvington Road beginning at the intersection with Route 634 (King Carter Drive), and will continue for approximately 400 feet to the south. Most construction will occur outside of the roadway. Intermittent lane closures will be needed for trucks to deliver materials, construct curb modifications, and for crews to paint crosswalks and final lane markings. Construction will conclude by June 24, 2016.

## **King and Queen County**

### **Route 631 (Fleets Mill Road)**

Route 631 (Fleets Mill Road) will be closed to traffic at the bridge over Fleets Creeks until late June 2016 for a bridge replacement project. During the closure, traffic will be detoured to Route 17 (The Trail) to Route 360 (Richmond-Tappahannock Highway) and back to Route 631.

## **Gloucester County**

### **Route 198 (Dutton Road) Bridge Rehabilitation – *Project Complete***
