Under Construction

Fredericksburg

Fall Hill Avenue Widening and I-95 Overpass Replacement Project

Construction is underway on the Fall Hill Avenue widening and I-95 overpass replacement project. Motorists should expect lane closures and brief delays on Fall Hill Avenue between the Rappahannock Canal bridge and Carl D. Silver Parkway (Central Park). The project will be completed in January 2017.

Stafford County

Route 610/Onville Road Intersection Improvement Project

Construction is underway at the intersection of Route 610 (Garrisonville Road) and Route 641 (Onville Road) to build additional turn lanes. Traffic has been reduced to one lane in each direction on Onville Road. The project will be completed in May 2017.

Route 17

Construction is underway to widen Route 17 from four to six lanes between McLane Drive and Stafford Lakes Parkway, a distance of nearly 2 miles. The work zone extends from just south of the I-95 interchange to Cardinal Forest Drive. Motorists should be alert to changes in traffic pattern and periodic overnight lane closures. This project will be completed by December 2016.

Spotsylvania County

Route 1 and Route 606 (Morris Road/Mudd Tavern Road)

Construction is underway to add left turn lanes on Route 1 northbound and southbound to enhance safety at the intersection of Route 1 and Mudd Tavern Road/Morris Road in the Thornburg area of Spotsylvania County. The project will be completed by June 2016.

Caroline County

Route 648 (Sunshine Road) Bridge Replacement

Route 648 (Sunshine Road) in Caroline County is open to traffic. Final paving will occur in the spring.

Westmoreland County

Route 205/Route 631 (Longfield Road)

Motorists should be alert to construction crews and equipment in the vicinity of Route 205 and Route 631 (Longfield Road) as crews work to improve the existing intersection. The project will realign and widen the intersection and construct a right turn lane on Route 205 for vehicles turning onto Longfield Road. The project is expected to be complete by July 1, 2016.
