HAMPTON ROADS AREA LANE CLOSURE FORECAST

For the week of August 1, through August 7, 2010

Hampton Roads, Va. - In an effort to keep you informed, VDOT publishes the following scheduled highway lane closures that may affect traffic in Hampton Roads. These closures are subject to change due to weather conditions and other unforeseen events. Other closures may occur which do not appear on this report.

For current traffic and travel information, visit the new www.511virginia.org, call 511, call the TrafficLine at 757-361-3016 or listen to 610AM.

YORK COUNTY

I-64 West – Motorists should expect single, mobile lane closures at the Route 143 (Exit 243) overpass for bridge safety inspection, Monday, August 2, through Friday, August 6, from 9 a.m. to 3 p.m.

I-64 East/West – Motorists should expect single, mobile lane closures at the Route 143 and Route 60 (Exit 243) overpass for bridge safety inspection, Monday, August 2, through Friday, August 6, from 9 a.m. to 3 p.m.

NEWPORT NEWS/ HAMPTON

I-64 East/West – Motorists should expect multiple, mobile alternating lane closures at the Oyster Point Road Overpass (Exit 256) for bridge safety inspection, Monday, August 2, through Friday, August 6, from 8 p.m. to 5 a.m.

I-64 East – Motorists should expect mobile alternating lane closures at the I-664 Interchange (Exit 264) to Mallory Street (Exit 268) for pavement marking installation, Sunday, August 2, through Friday, August 6, from 8 p.m. to 5 a.m.

I-664 South – Motorists should expect single lane closures at the Terminal Avenue (Exit 7) overpass for bridge Safety Inspection Monday, August 2, through Friday, August 6, from 9 a.m. to 3 p.m.

I-264 West – Motorists should expect alternating lane closures from Greenwood Drive to the Bowers Hill Interchange (Exit 1) for paving and striping, Sunday, August 1, through Wednesday, August 4 from 7 p.m. to 5 a.m.

I-264 East/West – Motorists should expect mobile lane closures from Effingham Street (Exit 7) to the Bowers Hill Interchange (Exit 1) for vegetation spraying, Thursday, August 5, from 9 a.m. to 3 p.m.

I-264 East – Motorists should expect multiple lane closures, including shoulders and off and on ramps from the Bowers Hill Interchange to Downtown Tunnel entrance for paving operations, Sunday, August 1, through Thursday, August 5, from 8 p.m. to 5 a.m. and Friday, August 6, from 11 p.m. to 7 a.m.

Route 164 East/West – Motorists should expect mobile lane closures from the I-664 Interchange to West Norfolk Road for roadway sweeping, Tuesday, August 3, through Thursday, August 5, from 9 p.m. to 4 a.m.

Route 58 East/West – Motorists should expect mobile lane closures from the Midtown Tunnel to London Boulevard for roadway sweeping, Thursday, August 5, from 9 p.m. to 4 a.m.

CHESAPEAKE

I-64 East/West Restorative Pavement Project – Motorists should expect alternating lane closures from the Bowers Hill Interchange to the I-464 Interchange, Monday through Thursday from 8 p.m. to 6 a.m. for restorative pavement maintenance work. Work will include patching isolated concrete pavement, increasing the width of the inside shoulder and replacing two lifts of asphalt. These paving operations will continue Sunday through Thursday until the end of August 2011.

I-64 East/West – Motorists should expect alternating lane closures from I-264 Interchange (Exit 299) to Battlefield Boulevard (Exit 290) for guardrail repair, drainage improvements and paving operations, Sunday, August 1, through Thursday, August 5, from 8 p.m. to 6 a.m.

I-64 East – Motorists should expect mobile lane closures between Indian River Road (Exit 286) and Greenbrier Parkway (Exit 289) for concrete pavement repairs, Monday, August 2, from 9 p.m. to 4 a.m.

I-264 West – Motorists should expect multiple lane closures at Des Moines Avenue (Exit 6) for overhead sign repairs, Wednesday, August 4, and Thursday, August 5, from 9 p.m. to 3 a.m.

I-664 South – Motorists should expect multiple lane closures at Pughsville Road (Exit 10) for overhead sign repairs, Tuesday, August 3, and Wednesday, August 4, from 9 p.m. to 3 a.m.

I-664 South– Motorists should expect mobile lane closures over Goose Creek Bridge for bridge safety inspection, Tuesday, August 3, from 1 p.m. to 3:30 p.m.

I-464 North– Motorists should expect multiple lane closures from the Military Highway overpass to Main Street (Exit 5) for paving work, Sunday, August 1, through Thursday, August 5, from 8 p.m. to 5 a.m.

I-464 North – Motorists should expect mobile alternating lane closures from the Military Highway over pass to Main Street (Exit 5) for roadway marking operations, Sunday, August 1, through Thursday, August 5, from 8 p.m. to 5 a.m.

Mt. Pleasant Road South – Motorists should expect a single lane closure at Mt. Pleasant Road and Fall Ridge Road for utility relocation operations, Tuesday, August 3, through Friday, August 6, from 9 a.m. to 3 p.m. Motorists should be alert for flagging operations.

Motorists should expect single lane closures at the intersection of Mt. Pleasant Road and Fentress Airfield Road for utility relocation operations, Monday, August 2, through Friday, August 6, from 9 a.m. to 3 p.m. Motorists should be alert for flagging operations.

GILMERTON BRIDGE

Route 13 - Motorists may experience short traffic delays, due to flagging operations in the project work zone throughout the remainder of the project. Flaggers will be assisting with maintenance of vehicular traffic as needed during material deliveries, concrete pours and crane moves in both the north and south bound directions. Motorists should use caution, be alert to flaggers, and are reminded of the 35 MPH posted speed limit in the work zone.

Motorists are asked to use extreme caution as work crews repair barrier walls on the traffic side of the wall.

Motorists are encouraged to use the I-64 High Rise Bridge as an alternative route to avoid delays. For more information, please visit the project website at www.gilmertonbridge.org.

VIRGINIA BEACH

I-64 East – Motorists should expect lane closures between the Twin Bridges and Providence Road for re-grading operations, Monday, August 2, through Wednesday, August 4, from 7:30 a.m. to 4:30 p.m.
