

NORTHWEST REGION

- 1 Interstate 64 – Rockbridge County:** Rehabilitating bridges over Maury River near Lexington. Westbound bridge closed for construction through spring 2017. Traffic both directions will use eastbound bridge and median crossovers between mile markers 53.3 and 55.3. Work-zone speed limit 55 mph. *Estimated completion summer 2017.*
- 2 Interstate 64 – Augusta, Nelson, Albemarle counties:** Installing communications conduit in median for active traffic-management system on Afton Mountain. Periodic left-shoulder closures, both directions, between mile markers 94 and 107. *Estimated completion summer 2016.*
- 3 Interstate 81 – Frederick County:** Reconstructing exit 310 ramps at southern end of Route 37 in Winchester area. Overnight lane closures possible. Work zone speed limit 60 mph. *Estimated completion spring 2018.*
- 4 U.S. 15 – Fluvanna County:** Constructing roundabout at Route 53 (Thomas Jefferson Parkway). Intermittent lane closures beginning in late 2016. *Estimated completion August 2017.*
- 5 U.S. 29 – Culpeper County:** Constructing new interchange at Route 666. Daily lane closures, traffic shifts. Speed limit reduced in work zone. *Estimated completion August 2017.*
- 6 U.S. 29 – Culpeper County:** Constructing restricted crossing U-turn intersection at Route 718 (Mountain Run Lake Road). Lane closures, left turns restricted at intersection. *Estimated completion January 2017.*
- 7 U.S. 29 – Albemarle County: “Route 29 Solutions” projects**
 - Constructing new grade-separated intersection at Route 631 (Rio Road). Lane closures, restricted movements at intersection with posted detours. Work zone speed limit 35 mph. *Scheduled completion December 2016.*
 - Widening Seminole Trail to six lanes between Route 643 (Polo Grounds Road) and Route 1719 (Towncenter Drive). Overnight lane closures, narrowed lanes, traffic shifts. Work-zone speed limit 40 mph. *Scheduled completion October 2017.*
- 8 U.S. 340/U.S. 522 – Front Royal/Warren County:** Replacing bridge over South Fork Shenandoah River. New six-lane structure on North Shenandoah Avenue will accommodate bicycles and pedestrians. Also improving intersection at Route 55 to reduce congestion. Periodic lane closures and traffic-pattern changes. *Estimated completion December 2017.*
- 9 U.S. 522 – Rappahannock County:** Rehabilitating bridge on Zachary Taylor Highway over Wilson Branch. Temporary signals controlling single-lane traffic. *Estimated completion November 2016.*
- 10 Route 3 – Culpeper County:** Widening Germanna Highway to four lanes between Stevensburg and Lignum. Intermittent lane closures, traffic pattern changes while relocating utilities and reconstructing the new roadway. Work zone speed limit 45 mph. *Estimated completion May 2017.*
- 11 Route 11 – Rockingham County:** Replacing North River Bridge about one mile south of Mount Crawford. Occasional lane closures and traffic-lane shifts. Variable message boards and pavement markings direct motorists. *Estimated completion summer 2017.*

(continue)

NORTHWEST REGION *(continued)*

- 12 Route 159 – Alleghany County:** Box culvert replacement at Crow Run. Temporary traffic signals and temporary bridge with vehicle-width restrictions during construction. Commercial vehicles can use Route 18 as an alternate route. *Estimated completion fall 2016.*
- 13 Route 229 – Culpeper County:** Widening North Main Street to five lanes between Fairview Road and northern Culpeper town limit. Lane closures, traffic shifts. *Estimated completion August 2017.*
- 14 Route 230 – Madison County:** Replacing Wolftown-Hood Road bridge over Conway River. Temporary signals controlling single-lane traffic beginning in late August. *Estimated completion November 2017.*
- 15 Route 245 – Fauquier County:** Rehabilitating bridge over Broad Run. Temporary signals controlling single-lane traffic beginning late 2016. *Estimated completion April 2017.*
- 16 Route 250 – Augusta County:** Replacement of Whiskey Creek Bridge just east of Churchville. Temporary bridge will serve as detour route during construction. Occasional flagging operations. *Estimated completion late 2017.*
- 17 Route 340 – Page County:** Replacement of Cub Run Bridge just south of Route 685. New bridge will be built adjacent to the current span, and new roadway approaches will reduce curves. Shoulder closures and periodic flagging operations. Work zone speed limit 45 mph. *Estimated completion fall 2017.*
- 18 Route 340 – Rockingham County:** Intersection improvements at Route 253/659 (Port Republic Road) including turn lanes and wider shoulders. Periodic flagging operations. *Estimated completion fall 2016.*
- 19 Route 340 – City of Waynesboro:** Replacement of bridge on Main Street over South River. Road closed between Constitution Park and East Avenue. Through traffic will use Broad Street (Route 250) as detour route. Local traffic can access all businesses and residences. *Estimated completion late 2017.*
- 20 Route 784 – Culpeper County:** Constructing new connector road between U.S. 522 (Sperryville Pike) and Route 729 (Eggbornsville Road). Intermittent lane closures. *Estimated completion November 2017.*
- 21 Route 1201 – Shenandoah County:** Replacing bridge, improving roadway and sidewalk on Queen Street. Portion of road closed during construction. Short detour in place. *Estimated completion late 2016.*

NORTHERN REGION

22 Interstate 66 – Prince William County:

Constructing diverging-diamond interchange on U.S. 15 at I-66 to relieve congestion, accommodate expected traffic demand and enhance safety. The project will include two longer bridges to carry U.S. 15 over I-66 with two crossover intersections. Weekday off-peak closures on U.S. 15. *Estimated completion fall 2017.*

23 Interstate 66 – Inside the Beltway: Installing and testing tolling system and equipment, and constructing tolling infrastructure including overhead gantries and signs for future rush-hour express lanes. Alternating nighttime lane closures from the Beltway to the Rosslyn Tunnel. *Estimated completion summer 2017.*

24 Interstate 395 – Arlington County: Rehabilitating three bridges at the I-395 and Route 120 (Glebe Road) interchange. Off-peak single-lane and shoulder closures. *Estimated completion fall 2017.*

25 U.S. 1 – Prince William County: Widening U.S. 1 from four to six lanes between Marys Way and Annapolis Way. Weekday off-peak closures and weekend overnight closures. Two-way traffic will be maintained at all times. *Estimated completion fall 2019.*

26 Route 7 – Fairfax County: Rehabilitating the Route 7 bridges over Route 267 (Dulles Toll Road) and widening the road from four to six lanes, from Tyco Road to Jarrett Valley Drive. Off-peak weekday closures. *Estimated completion spring 2018.*

27 Route 27 – Arlington County: Rehabilitating Route 27 (Washington Boulevard) bridge over Route 110 (Jefferson Davis Highway), adjacent to Pentagon. Project will maintain at least two open lanes, each direction, on both roads. Pedestrian traffic shifts to temporary bridge in late 2016. *Estimated completion spring 2018.*

SOUTHWEST REGION

- 28 Interstate 81 – Roanoke and Botetourt Counties:** Bridge repairs. Alternating lane closures may be in place in both directions between mile marker 137 and 166, Sunday-Thursday, 7 p.m. - 6 a.m. *Estimated completion is fall 2016.*
- 29 Interstate 81 – Botetourt County:** Improving exit 150 interchange. Nighttime lane, daytime shoulder closures possible on U.S. 220 Alternate and U.S. 11, Sunday-Thursday, 10 p.m.- 6 a.m. Exit 150B off-ramp from I-81 northbound onto Route 11 is narrowed and reduced to one lane. Width restriction in place. *Estimated completion summer 2018.*
- 30 Interstate 81 – Washington County:** Reconstructing exit 14 interchange. Replacing interstate bridges over Route 647 (Old Jonesboro Road). *Estimated completion fall 2018.*
- 31 Interstate 581:** City of Roanoke – Bridge repairs on the Route 220 Expressway between Liberty Road and Wonju Street. Lane closure in place Sunday – Friday, 8 p.m. to 6 a.m., northbound and southbound. *Estimated completion is summer 2017.*
- 32 Interstate 581:** City of Roanoke – Bridge repairs on Liberty Road over I-581. Lane closures on southbound I-581. Extended lane closures on northbound I-581, 8 p.m. – 6 p.m. *Estimated completion October 2016*
- 33 Interstate 581:** City of Roanoke – Bridge repairs on Orange Avenue over I-581. Lane closures on northbound I-581, Sunday – Friday, 8 p.m. – 6 a.m. *Estimated completion October 2016.*
- 34 U.S. 29/U.S. 460 – Lynchburg:** Making safety improvements between U.S. 29 and U.S. 501. *Estimated completion November 2017.*
- 35 U.S. 29/U.S. 460 – Lynchburg:** Constructing new interchange at Odd Fellows Road. Also extending road across four-lane highway. *Estimated completion August 2018.*
- 36 U.S. 460 – Buchanan County:** Be alert to the possibility of heavy equipment crossing Route 609 as construction of the 6-mile Route 460 Connector Phase II in Buchanan County is underway.
- 37 U.S. 501 – Amherst-Bedford county line:** Replacing bridge at Route 130 intersection over James River. *Estimated completion March 2017.*
- 38 Route 20 – Buckingham County:** Replacing bridge over Slate River. *Estimated completion December 2017.*
- 39 Route 29 South – Pittsylvania County:** Replacing bridge on U.S. 29 South near Route 803 over Norfolk-Southern Railroad. *Estimated completion June 2017.*
- 40 Route 40 – Charlotte County:** Replacing bridge over Louse Creek. *Estimated completion July 2017.*
- 41 Route 130 – Amherst County:** Replacing bridge at Route 130 over Pedlar River and realigning Route 635 intersection. *Estimated completion November 2017.*
- 42 Route 460 – Montgomery County:** Lane and shoulder closures scheduled periodically at Southgate Drive. Motorists encouraged to use alternate routes to enter the Virginia Tech campus. *Estimated completion is December 2018.*
- 43 Route 501 – Halifax County:** Widening the intersection at routes 40 and 632. *Estimated completion in May 2017.*
- 44 Route 1201 – Lynchburg:** Widening Greenview Drive. *Estimated completion July 2017.*

CENTRAL REGION

- 45 Interstate 64 – Henrico County:** Replacing bridge over Route 33 (Nine Mile Road), east of exit 197A-B. *Estimated completion spring 2017.*
- 46 Interstate 85 – Dinwiddie County:** Paving. Various lane closures during day and overnight hours.
 - Northbound mile markers 65 to 56; Southbound Mile markers 61 to 40. *Estimated completion fall 2017.*
 - Southbound mile markers 56 to 65; Northbound Mile markers 48 to 56. *Estimated completion fall 2016.*
- 47 Interstate 85 – Brunswick County:** Restoring bridges over CSX Railroad at mile marker 28. *Estimated completion winter 2016.*
- 48 Interstate 95 – Stafford County:** Extending 95 Express Lanes by 2.5 miles in Stafford between mile markers 145 and 142. Temporary concrete barriers along the northbound and southbound left shoulders of I-95. Intermittent lane closures during off-peak travel times. *Estimated completion summer 2018.*
- 49 Interstate 95 – Fredericksburg:** Replacing Fall Hill Avenue Bridge over I-95 at mile marker 131. Intermittent lane closures, brief delays, both directions, mainly overnight. *Estimated completion January 2017.*
- 50 Interstate 95 – Hanover County:** Replacing Route 802 (Lewistown Road) bridge over I-95 at exit 89. Various lane closures. *Estimated completion spring 2017.*
- 51 Interstate 95 – City of Petersburg:** Paving, southbound mile markers 52-48. Various lane closures, mostly overnight. *Estimated completion fall 2016.*
- 52 Interstate 295 – Henrico County:** Paving, southbound mile markers 47 to 42. Various lane closures, mostly overnight. *Estimated completion fall 2016.*
- 53 Route 144 – Colonial Heights:** Improving interchange at Interstate 95. Replacing signalized intersection with roundabout. Alternating lane closures on Temple Avenue. *Estimated completion December 2017.*
- 54 Route 76 – Chesterfield County:** Paving, both directions between Jahnke Road and Courthouse Road (Route 653). Various lane closures, mostly overnight. *Estimated completion fall 2016.*
- 55 Route 150 – Chesterfield County:** Paving, southbound between I-95 and Hopkins Road (Route 604). Various lane closures, mostly overnight. *Estimated completion fall 2016.*
- 56 Route 288 – Goochland County:** Paving southbound between I-64 and West Creek Parkway. Various lane closures, mostly overnight. *Estimated completion fall 2016.*
- 57 Route 288 – Chesterfield County:** Paving, both directions between I-95 and Courthouse Road (Route 604). Various lane closures, mostly overnight. *Estimated completion winter 2017.*
- 58 Route 301 – Caroline County and King George County:** Bridge rehabilitation at James Madison Memorial Bridge over the Rappahannock River. Intermittent lane closures. *Estimated completion October 2017.*

EASTERN REGION

- 59 Interstate 64 – Newport News, York County, James City County:** Widening I-64 to six lanes from .54 miles east of exit 247 (Yorktown Road) to 1.05 miles west of exit 242 (Route 199 Humelsine Parkway/Marquis Center Parkway). Weeknight single-lane closures. *Estimated completion spring 2019.*
- 60 Interstate 64 – Newport News:** Widening I-64 to six lanes between exit 247 (Yorktown Road) and exit 255 (Jefferson Avenue). Weeknight single-lane closures. *Estimated completion December 2017.*
- 61 Interstate 64 – Chesapeake:** Waterproofing High Rise Bridge westbound lanes. Nightly single-lane closures. *Estimated completion January 2018.*
- 62 Interstate 95 – Greensville County:** Replacing two bridges over Meherrin River in Emporia, south of exit 11 interchange. Nightly single-lane closures, traffic shifts possible. Two lanes will remain open during peak travel hours. *Estimated completion fall 2019.*
- 63 Interstate 564 – Norfolk:** Constructing intermodal connector from existing I-564 to Norfolk International Terminals and Norfolk Naval Station to improve traffic flow. *Estimated completion summer 2017.*
- 64 I-664 Monitor-Merrimac Memorial Bridge-Tunnel – Suffolk:** Waterproofing northbound bridge spans. Nightly single-lane closures. *Estimated completion July 2019.*
- 65 U.S. 17 – York County:** Widening George Washington Memorial Highway between Route 630 (Wolf Trap Road) and Route 706 (Hampton Highway). Traffic shifts, weekday single-lane closures, 9 a.m. – 3 p.m. *Estimated completion winter 2016.*
- 66 U.S. 58 – Portsmouth:** Extending Martin Luther King Freeway to Interstate 264. *Estimated completion late 2016.*
- 67 U.S. 58, Midtown Tunnel – Norfolk, Portsmouth:**
- Constructing new tunnel tube in Elizabeth River. Two lanes currently open to westbound traffic. *Estimated completion winter 2016.*
 - Rehabilitation of existing Midtown Tunnel underway. Full weeknight and weekend closures for eastbound drivers. Detour to I-264 Downtown Tunnel. *Estimated Completion August 2017.*
- 68 U.S. 301 – Greensville County:** Replacing southbound Sussex Drive bridge over rail tracks north of Emporia. Southbound traffic detoured to Interstate 95. *Estimated completion summer 2017.*
- 69 Route 58 – Town of Courtland:** Construct two new bridges and two roundabouts at Routes 58 and 58 Business and Route 742. Single-lane closures, including the Route 58 off-ramp entering Courtland. *Estimated completion December 2018.*
- 70 Route 406 – Norfolk:** Pavement resurfacing on Terminal Boulevard. Weeknight and weekend closures westbound. *Estimated completion January 2017.*
